Where Do We Go from Here? Mark Major, 2010-01-01 Progressive politics has long been in crisis in the United States. As the radical Left realizes the dire consequences of defining themselves solely by what they are against, this collection challenges leading engaged academics and activists to show how radical politics can lead to a more fruitful democracy. Dealing with pressing issues of the day such as health care, race, immigration, religion, foreign policy, unions, feminism, liberalism, education, and the media, this edited volume looks at the prospects for a progressive turn in U.S. politics. In doing so, it hopes to inspire the radical imagination by showing where we can go from here. As technology continues to enable greater access to ideas around the world, the power of intellectuals is greater than ever. And given that the world is full of crushing poverty, sexism, uneven development, environmental degeneration, religious fanaticism, racism, and imperialism, the need for intellectuals to inspire the radical imagination by championing principles of economic and social justice, democracy, and universality is also greater than ever. However, political visions are required to guide that struggle. This is the aim of this book.

Bible Study Guide Dr. David Jeremiah, 2021-11-16 Jesus Will Show You the Way Forward Today's headlines shout of modern plagues, social tensions, economic crises, and rampant depression. Many are asking, "What day is it on God's prophetic calendar?" Trusted Bible teacher and pastor Dr. David Jeremiah answers this question by opening up the Word of God to reveal what it has to say about the days in which we are living and offer hope to believers. In this ten-lesson accompanying study guide, Dr. Jeremiah deals with ten prophetic issues as current as the morning news. You will thread your way through problems that Jesus predicted, precursors of the Tribulation, and learn what steps you should take to navigate them. Even as the world collapses, you can be sure that the Lord is building His Church. You can say something, do something, pray something, preach something, and live by the convictions of Christ. Each lesson includes an outline of the main subjects and Scriptures covered during the lesson, an overview of Dr. Jeremiah's teaching on the topic being studied, application questions to help both individuals and small groups.
