**The Congregationalist and Advance**, 1919 **A Literary Cavalcade—III** Robert A. Parker, 2012-09-27 Author Robert A. Parker has compiled here his critique of hundreds of novels he has read This is the third of six volumes that cover authors alphabetically in this case from George Gissing to Milan Kundera More than 85 authors are represented including Greene Hawthorne Hemingway Hersey Horgan James Joyce Kazantzakis Kafka Kennedy and King They reflect a broad range of writing styles cultural influences and moral philosophies All works are rated on their literary achievement the effectiveness of plot character and setting plus their recognition of the moral ethical and spiritual values of mankind Here is a unique critical perspective that measures the meaning of literature against the meaning of life Conversations with Jerome Charyn Sophie Vallas, 2014-09-30 This volume of fourteen interviews covers the prolific and rich career of author Jerome Charyn b 1937 Four of the interviews appear in English for the first time and two interviews appear here in print for the first time as well As one of his autobiographical volumes claims Jerome Charyn is a Bronx Boy a child born from immigrant parents who went through Ellis Island in the 1920s like so many other travelers without luggage a little werewolf who grew up on his own in the chaos of the Bronx ghetto I think I was defined by two things World War II and the movies His work remains deeply marked by this childhood largely forgotten by the American Dream If Charyn has spent much of his life in Paris he has paradoxically never left the Bronx El Bronx is there inside my head and I revisit it the way Hemingway would fish the Big Two Hearted River in his dreams His whole work is a long attempt at evoking his own history and celebrating his lifelong marveling at the power of language our second skin as well as his deep unflinching belief in the promises of fiction Since 1964 Charyn has published

more than fifty books ranging from fiction to nonfiction and including short stories very popular crime novels graphic novels cowritten with European artists essays on American culture and cinema as well as on New York autobiography and biography an ever changing production that has made it difficult for critics to classify him And yet in many ways Charyn s writing thrives on constant currents the words voice song undersong or rhythm return frequently in his interviews as he explains what literature is to him and ceaselessly asserts that he is trying to find a music for a musicless world a language for people who cannot speak

The Baseball: A Brief Novel James Flerlage, 2019-11-09 Editorial Reviews The Baseball is written so fluently that I didn t want it to end This story is built around family the good times and the bad times the happy times and the sad times It s about how different people cope with pain differently and how good things can come out of things that may initially seem like the end of the world I recommend this book for anyone who truly values family making memories and living life to the fullest Manhattan Book Review 5 Star Review The Baseball is a brief novel by James Flerlage about family and the quality time we choose to spend with them The irony of Landon s fate an oncologist whose son develops cancer could have turned the story into one of bitterness and regret Instead it is an opportunity to revisit a time in a man s life when he must choose his family or his work The author delivers the heart wrenching plot in simple and crisp prose and without judgment and gives readers the opportunity to re examine their own priorities in life San Francisco Book Review 4 Star Review An unusually affecting story Overall this is an earnest unpretentious book that despite overly deliberate grabs for the heartstrings still manages to pluck them all the same A familiar tale but one that has a melodramatic sincerity Kirkus Reviews The plot of The Baseball is a well developed hybrid of family and sports drama It hits familiar plot beats and framing devices but the work develops smoothly and evenly with quiet style The author has a clear handle on storytelling and the unveiling of mystery the sports focus and the manner in which it is integrated into the characters lives is alluring The BookLife Prize From the Back Cover Landon Myers is a retired pediatric oncologist who spends his days diagnosing the ills of his young grandchildren s stuffed animals while scheming up new ways to spend time with the older ones When his thirteen year old granddaughter Lucy discovers an old Major League Baseball while cleaning his cellar he faces the difficult task of exposing a family secret that has lain dormant for the past forty years Over a long lunch with Lucy Landon reveals that he was previously married divorced and had a son Alex Two years after his parents bitter divorce sixteen year old Alex receives devastating news that derails the course of his life In a captivating story about family relationships and reconciliation The Baseball begs the question If life gave you a second chance would you know what to do with it
