The Gnostic Scriptures Joseph Lumpkin, 2006-01-01 To understand some of the basic beliefs of Gnosticism let us start with the common ground shared between Gnosticism and modern Christianity Both believe the world is imperfect corrupt and brutal The blame for this according to mainstream Christianity is placed squarely on the shoulders of man himself With the fall of man Adam the world was forever changed to the undesirable and harmful place in which we live today However Gnostics reject this view as an incorrect interpretation of the creation myth According to Gnostics the blame is not in ourselves but in our creator The creator of this world was himself somewhat less than perfect and in fact deeply flawed and cruel making mankind the children of a lesser God The parallel between Sophia and Mary Magdalene in Gnostic theology cannot be overstated Sophia was the handmaiden of the Supreme God carrying the life force which was the emanation of God She carried the truth within her which she offered to Adam The truth was offered up to set him free Mary was the consort of Jesus carrying the imparted knowledge and possibly his life force in the form of a child She revealed to the apostles the truth Jesus personally and intimately gave to her alone We will see this stated clearly in The Gospel of Mary Magdalene later in this book
