We Should All Not Be Crazy Feminists:

Feminism Beyond Left and Right Holly Lawford-Smith, 2025-07-14 An unquestioned assumption of contemporary politics is that the left owns minority groups in the sense that the left exclusively champions the interests of minorities and is for that reason owed the allegiance of minorities This in turn gives rise to the sense of dissonance created by right wing dissenters the black social conservative the gay ultra nationalist the female libertarian the poor pro capitalist This same dissonance exists for women and feminism creating a default assumption that a feminist is a left wing woman We don't make a distinction between left wing feminists and feminists we don't need to There's nothing a philosopher loves more than an unquestioned assumption and in this book political philosopher Holly Lawford Smith systematically dismantles the assumption that feminism is an exclusively left wing project Once dismantled the path is clear to a new set of questions Who counts as a feminist in the first place If women from anywhere on the political spectrum can be feminists who is it that feminists should or shouldn't be working with And what can be said more generally about the ethics of alliances and coalitions In *Feminism Beyond Left and Right* Lawford Smith makes the case for non partisan feminism feminism outside the constraints of the left right political spectrum a feminism for and about all women as women *Good and Mad* Rebecca Traister, 2023-09-12 In the year 2018 it seems as if women's anger has suddenly erupted into the public conversation But long before Pantsuit Nation before the Women's March and before the MeToo movement women's anger was not only politically catalytic but politically problematic The story of female fury and its cultural significance demonstrates the long history of bitter resentment that has enshrouded women's slow rise to political power in America as well as the ways that anger is received when it comes from women as opposed to when it comes from men **Bitch Planet #6** Kelly Sue DeConnick, 2016-01-06 Extraordinary Machine uncovers the past of the Bitches secret weapon Meiko Maki how she went from promising engineer to killer and the ace up her sleeve From KELLY SUE DeCONNICK PRETTY DEADLY Captain Marvel with guest pencils by TAKI SOMA Takio The Victories *Annual Report of the Department of Agriculture, for the Province of Ontario* Ontario.
