*Governance in Sport* Bonnie Tiell, 2025-06-17

At its core sport governance

encompasses two key elements power and decision making To truly grasp a sport organization's purpose and structure it's

essential to understand who wields power and which decisions are made by those who possess it Regrettably the abuse of

power coupled with ineffective governance and lackluster leadership has fostered widespread corruption within sport

organizations a situation that calls for a renewed commitment to practicing principles of good governance and restoring

integrity and ethical conduct In response the updated and enhanced Governance in Sport Analysis and Application Second

Edition aims to equip students with the skills to navigate both ordinary and extraordinary situations encountered in the

oversight and authority of sport organizations at all levels of sport Governance in Sport examines sport governance from

three broad analytical and applied perspectives A legal and managerial overview of practices processes and policies in sport

organizations encompassing ethical behavior effective leadership decision making and policy development A framework of

the structures and functions of regulatory agencies that govern state national regional and international sports An applied

overview of governance and authority in selected sectors of the industry including professional sports amateur sports sports

media sports betting esports and more Through examinations of contemporary hot button issues and compelling new case

studies covering the Ukraine invasion Brittney Griner transgender athletes in sports LIV Golf versus the PGA conference

realignment name image and likeness NIL issues the Kanjuruhan Stadium catastrophe and the workplace misconduct in the Washington Commanders organization students will see how governance differs in sport organizations at various levels in the United States and around the world Additional new features include the following Headlines begin each chapter calling out incidents of corruption within the sport industry Rules and Regulations Corners provide quick overviews of policies and laws affecting weighty issues Combating Corruption sections offer best practices for preventing and minimizing behavior deemed illegal unethical or counterintuitive Governance in Action case sidebars explore real world examples of conflicts and conundrums related to the chapter topic and include discussion questions suggested responses to the questions can be found in the instructor guide Recorded lectures by author Bonnie Tiell are available for each chapter of the book Instructors can use these videos to enhance their lectures With Governance in Sport students will develop an understanding of where power resides how decisions are made and the impact of those factors on the goals and structures of sport organizations
