Gehl,2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies The Dark Social Online Practices of Resistance Motility and Power will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of Continuum Journal of Media Cultural Studies

Gaming Democracy Adrienne L. Massanari,2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to

obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism

[Esports](#) Eulalia Febrer-Coll, 2025-07-21. This book invites the reader to expand their idea of esports as an independent niche and consider it an integral part of a growing multi and transmedia ecosystem that includes the global entertainment industry where music plays an essential role. The music present in and around esports games is an integral part of how they are communicated and mediated and as such holds a central role in binding their narratives cohesively and coherently to appeal to their audiences. Popular music theory is placed at the foundation of the issues raised in the chapters as it is taken as a cornerstone for linking the esports international scene with the music industry. This text uses specific case studies from popular esports to support and illustrate each chapter including League of Legends Counter Strike and Fortnite. This book will be of great interest to researchers and students in the fields of esports game design and development musicology and media studies. *The Growth of the Manor* Paul Vinogradoff, 1905 *Quellen zur Schweizer Geschichte*, 1899 *Das Habsburgische Urbar* Walther Glättli, 1899 **Records of the Social and Economic History of England and Wales** British Academy, 1935 **A Descriptive Catalogue of the Manuscripts in the Library of Eton College** Montague Rhodes James, 1895 **"Das" habsburgische Urbar** W.
