Soci  t   nadienne pour l  tude de l  intelligence par ordinateur. As was the case last year too, the conference is being held in conjunction with the annual conferences of two other Canadian societies: Graphics Interface GI 2001 and Vision Interface VI 2001. We believe that the overall experience will be enriched by this conjunction of conferences. This year is the silver anniversary of the conference: the first Canadian AI conference was held in 1976 at UBC. During its lifetime it has attracted Canadian and international papers of high quality from a variety of AI
