A Philosophy of Communication of Social Media Influencer Marketing Kati E. Sudnick, 2023-11-28 Social media influencer marketing emerged in Web 2.0 as a new form of celebrity endorsement in which the Internet famous create word of mouth marketing for brands and organizations on their personal social media pages blurring the line between organic and sponsored content for their followers. This book explores social media influencer marketing through the lens of philosophy of communication with a praxis centered approach. Kati E. Sudnick utilizes a multitude of theoretical touchstones including Christopher Lasch's narcissistic culture, Marshall McLuhan's global village, Daniel Boorstin's human pseudo event, Jacques Ellul's propaganda, and the interplay between charismatic leadership and parasocial relationships in order to consider consequences surrounding Hannah Arendt's social condition which appears in hyper form within social media influencer marketing as a major integrated marketing communication tool. Sudnick applies these concepts to three major case studies surrounding Audible, BetterHelp, and Fyre Festival, drawing implications and conclusions for this integrated marketing communication tactic in an era entrenched within the banality of the social. Ultimately, the author argues for a more aware and conscientious public when it comes to engaging with influencers online. Scholars of communication philosophy and media studies will find this book of particular interest.

As Christians, when we take a stand for our faith, we want to avoid coming across as overly combative or adversarial. While it's important to be uncompromising when we communicate the truth, Scripture also calls us to speak the truth with love. Bridge Building Apologetics is about establishing caring and compassionate relationships with those whom you desire to reach for Christ. In this friendly and helpful resource, you will find inspiring examples of relational apologetics from people in the Bible and modern day bridge builders, strategies for thoughtful and productive interactions with unbelievers and people of diverse faith backgrounds, practical tips for engaging non-Christians in relationships and faith centered conversations with real life examples. Going beyond merely comparing truth with error, this accessible and informative guide shows you how to overcome relational barriers and graciously reach out to those with whom you disagree. Even in the face of deep differences, these insights and tips will help you grow in your confidence to engage others effectively with the love of Jesus and the truth of Scripture.
