**How to Create Heart-Based Hospitality: The Future of the Hotel Hospitality Experience** Peter McAlpine, This book shows hoteliers how to create a spirit of hospitality that is impossible to create with the globally pervasive standards manual based concept of SOP. Customer Satisfaction Heart Based Hospitality is an energetic and spiritual concept of hospitality and it provides a completely new direction in hospitality. It is based on creating an ever increasing spirit of unconditional love. Metta

loving kindness compassion and heart warming care which are the forgotten essence of hospitality By working with energy especially heart energy and by developing the spiritual capacity of the staff you can create limitless levels of spiritual and energetic hospitality far above the traditional SOP Customer Satisfaction ceiling As you develop Heart Based Hospitality you can increase the softness gentleness loving kindness compassion and heart warming care of the staff and the energetic warmth of the hospitality without limit Heart Based Hospitality is a concept and a direction that enables the spirit of hospitality to evolve energetically and spiritually It will revolutionise the hospitality industry I call the level Heart Based Hospitality because it is created by working with human energy especially with the energy of the heart by developing the heart's intelligence by increasing heart coherence so as to open the heart to experience ever stronger emotions of love and by developing spiritual capacity which increases the desire to show unconditional love Metta loving kindness heart warming care and compassion from the heart The future hospitality experience will be energetic and spiritual Hotels in the future will also use heart field energy techniques to change the energetic vibration of the hotel staff the guests and spaces They will also infuse spaces facilities and guest accommodation with pleasant feeling energy through specific meditations I have written the book in order to bring about a revolution of change in the hotel industry The book shows hotels how to implement and develop the process of creating Heart Based Hospitality Part 1 the Introduction to the book explains what the book is about Go to this link [http://heartbasedhospitality.com/page\\_id\\_57800](http://heartbasedhospitality.com/page_id_57800) Economy Hotels in China Songshan Sam Huang, Xuhua Michael Sun, 2014-01-10 While economy or budget hotels have been popular in western countries since the end of the Second World War they have only emerged as a sector in their own right in China since the mid 1990s Indeed as a new service industry sector economy hotels in China demonstrate important characteristics which can be used to illustrate and help explain China's current economic progress more generally This book provides a comprehensive overview of the economy hotel sector in China It covers macro level social cultural economic environmental geographic and development issues alongside micro level consideration of the budget hotel companies innovative management and marketing procedures business expansion strategies general hotel management and operation issues as well as an analysis of some leading entrepreneurs in the sector and in depth case studies examining the most successful economy hotel companies in China Huang and Sun argue that the rapid development of budget hotels in China demonstrates how under the influence of globalisation Chinese businesses have become more innovative as they apply successful western business models to China In turn they show that the China model is fundamentally different in terms of its driving force which lies purely in its domestic travel market fuelled by China's continued economic growth There is therefore much to explore about both China's market situation and business practices in the economy hotel sector and this book makes an important contribution to our understanding of China's new business environment Based on extensive fieldwork and investigation Economy Hotels in China will be welcomed by students and scholars of tourism hospitality business studies and Chinese studies but it will also appeal

to practitioners of business management in these sectors who are interested in China's development and business opportunities in China
