Soul Full Eating A Delicious Path To Higher Consciousness:

Soul-full Eating Maureen Whitehouse, 2007 *Soul Full Eating A Delicious Path to Higher Consciousness* is a fun provocative and profoundly insightful read that illustrates how anyone no matter what their faith religion or personal philosophy can become a spiritual master at mealtime How It s Simple Eat with love what s grown with love prepared with love and served with love *Soul Full Eating* artfully illustrates how a deep sense of fulfillment can be found from eating foods that resonate with your Soul The book is full of engaging personal accounts intertwined with substantial cutting edge nutritional and spiritual information which is backed up by exhaustive comprehensive research **Soul Currency** Ernest D. Chu, 2010-11-30 In tough times we look outside ourselves for things to change instead of looking inward where true abundance resides It s tempting to downplay important values like generosity integrity and intuition These niceties can take a backseat because we think the world needs to change before we can find wealth But they are what make it possible to find prosperity no matter what happens in the world around us These inner traits help us reach our outer goals Ernest Chu s transformational concept of soul currency refers to both something we use to exchange value as with money and the circulation of a divine force in our lives Chu s own example as an entrepreneur who pulled himself out of crushing debt shows his practical ready to implement principles in action Soul currency bridges the material world of finance and the invisible world of Spirit allowing abundance to come to us and flow through us When we tap into the creative force of soul currency we can experience unprecedented abundance and fulfillment Quantum Eating Tonya Zavasta, 2007-10
