*The Meaning of Mary Magdalene* Cynthia Bourgeault, 2010-09-14 The author of *The Wisdom Jesus* takes readers on a journey to discover the real Mary Magdalene and finds a powerful ancient model for 21st century spirituality Mary Magdalene is one of the most influential symbols in the history of Christianity yet if you look in the Bible you'll find only a handful of verses that speak of her How did she become such a compelling saint in the face of such paltry evidence In her effort to answer that question Cynthia Bourgeault examines the Bible church tradition art legend and newly discovered texts

to see what's there. She then applies her own reasoning and intuition informed by the wisdom of the ages-old Christian contemplative tradition. What emerges is a radical view of Mary Magdalene as Jesus's most important disciple, the one he considered to understand his teaching best. That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine. Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity, how Christians and others can through her find their way to Jesus's original teachings and apply them to their modern lives.

**Mary Magdalene Beckons** Mercedes Kinkel, 2012. Experience Mary Magdalene as a rising teacher in today's spiritual arena. Through 25 insightful messages, Mary focuses on issues that often aren't addressed by spiritual leaders: uniting the Feminine and Masculine, healing body shame, the sacredness of sexuality and emotional mastery, explaining how these are essential for living in the heart. Mary's universal teaching, paired with the author's clarifying commentary, makes this award-winning book a treasure trove of Feminine guidance and spiritual truths. Mary describes her partnership with Yeshua, Jesus, as loving equals, including being co-teachers for their shared work. Mary's role was to bring the Feminine aspect of their teaching, which they knew the world wouldn't be ready to receive for 2000 years. In sharing her long-hidden teaching, Mary shows us what it is to be a powerful spiritual woman in complete union with her beloved male partner, Yeshua, and the Divine Masculine.

Lupieri, 2019-10-14 An international team of twenty scholars under Edmondo F Lupieri's direction produced Mary Magdalene from the New Testament to the New Age and Beyond While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others *The Fly in the Ointment: The Mysteries of Mary Magdalene* Jennifer Smith, 2014-08-23 Mary Magdalene was the principle witness of the death burial and resurrection of Jesus as told in the Christian gospels the grief stricken scarlet woman at the foot of the cross clutching her jar of ointment her hair loose like that of the maenads Yet by the sixth century Mary once called the Tower had fallen into disrepute as a sinner and prostitute Mary was never a martyr but tradition has her exiled to a solitary cave where she was not a threat to the established church until she emerged after the rediscovery of the heretical Gnostic texts In these Mary Magdalene is the beloved companion of Jesus the disciple who knew the all As with her predecessor Eve she bears the sin of desiring knowledge and is condemned for it The question of whether

Mary Magdalene can be identified with Mary of Bethany has become merely another means of reducing her authority In the gospels Jesus said that his anointer should be remembered for all generations yet she remains maligned and undefended until now

**The Woman Jesus Loved** Antti Marjanen,2020-10-26 This is the first comprehensive study on Mary Magdalene in those second and third century Gnostic texts in which Jesus most famous female follower gains a prominent position Special attention is paid to the way Mary is presented in relation to other disciples and to how her portrait pertains to gender imagery used in the writings Detailed text analyses based on a careful philological study show that no uniform picture and use of the figure of Mary can be traced Contrary to a common supposition the book also demonstrates that the positive view of Mary displayed in the texts does not automatically imply a positive attitude towards women in general The work provides a basis for all further discussion of Mary Magdalene in the Nag Hammadi and related documents

**Mary Magdalene** Bruce Chilton,2005-11-01 After 2 000 years of flawed history here at last is a magnificent new biography of Mary Magdalene that draws her out of the shadows of history and restores her to her rightful place of importance in Christianity Throughout history Mary Magdalene has been both revered and reviled a woman who has taken on many forms witch whore the incarnation of the eternal feminine the devoted companion and perhaps even the wife of Jesus In this brilliant new biography Bruce Chilton a renowned biblical scholar offers the first complete and authoritative portrait of this fascinating woman Through groundbreaking interpretations of ancient texts Chilton shows that Mary played a central role in Jesus ministry and was a seminal figure in the creation of Christianity Chilton traces the evolving images of Mary Magdalene and the legends surrounding her He explains why despite her prominence the Gospels actually say so little about her and why the Catholic Church for thousands of years has sought to marginalize her importance In a probing look at the Church's attitudes toward women he investigates Christian misogyny in the ancient world including the suppression of women priests who patterned their activities on Mary's explores the impact of Gnostic ambivalence toward women on its depictions of Mary and shows that these traditions still influence modern portrayals of her Chilton's descriptions of who Mary Magdalene was and what she did challenge the male dominated history of Christianity familiar to most readers Placing Mary within the traditions of Jewish female savants Chilton presents a visionary figure who was fully immersed in the mystical teachings that shaped Jesus own teachings and a woman who was a religious master in her own right

**Mary Magdalene** Adriana Valerio,2021-07-22 Rediscover the crucial roles held by women within the heart of Christianity Favourite disciple influential woman true believer and follower of Jesus how do we see Mary Magdalene today Witness to Jesus crucifixion and his burial the first to announce the resurrection she is without a doubt the most recognizable of the gospels female figures a central character in Christianity's foundational story But centuries of alteration and resizing of merging several female figures into one have erased Mary Magdalene's apostolic role and left us with a misrepresentation They delivered the figure of a quintessential repentant sinner one in whom sensual beauty and mortification of the body are combined When we reflect on

the Magdalene case delving into the folds of history and the arts and removing misunderstandings and manipulations we rediscover the crucial roles women have always held within the heart of Christianity despite their stories often going untold Adriana Valerio's engrossing retelling of Magdalene's story founded as it is in historical fact is an unmissable opportunity to reclaim such roles in a church that remains largely patriarchal to the present day

**The Gospel of Mary Magdalene**

Alexander Riconi, History Academy, 2021-10-10 A gospel as ancient and authentic as any of the gospels that the Christian bible contains was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed Fortunately some rebel monks were wise enough to refuse and thanks to their disobedience and spiritual bravery we have several manuscripts of the only gospel that was written in the name of a woman The Gospel of Mary Magdalene Restores to the forefront of the Christian tradition the importance of the divine feminine and offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Also known as Miriam of Magdala Mary Magdalene was considered by the apostle John to be the founder of Christianity because she was the first witness to the Resurrection Mary's gospel reveals a radical love that sits at the heart of the Christian story Her gospel says that we are not sinful we are not to feel ashamed or unworthy for being human In fact our purpose is to be fully human to be a true human being that is a person who has remembered that yes we are a messy limited ego and we are also a limitless soul And all we need to do is to turn inward again and again to meditate like Mary Magdalene in the way her gospel directs us so that we can see past the ego of our own little lives to what's more real and lasting and infinite and already here within This brief narrative presents a radical interpretation of Jesus' teachings as a path to inner spiritual knowledge It rejects his suffering and death as a path to eternal life The Gospel of Mary Magdalene sheds new light on his relationship with his favorite follower The wisdom in this inspiring collection of texts is wholly relevant to our lives today addressing the questions of good and evil sin and suffering and the path to salvation The Lost Gospel of Mary Magdalene reveals secrets that have been hiding in plain sight for millennia The author has done it again he has fully interpreted every verse leaving no stone unturned and what is revealed is astonishing Knowledge that has been kept secret by the church for nearly two thousand years is laid bare for all to see thereby ending the greatest deception mankind has ever suffered An in-depth study of the heart-centered teachings of Mary Magdalene Reveals Mary Magdalene as a gifted visionary teacher and the best qualified disciple to lead the Jesus movement after his death translates and introduces the Gnostic and New Testament texts that together reveal the story and importance of Mary Magdalene discloses the long suppressed story of Mary's vital role in the life of Jesus and in the formative period after his crucifixion presents as authentically as possible the real Mary Magdalene Discovered in fragments in Egypt in 1945 The Gospel of Mary remains one of the most controversial texts of early Christianity This translation of Mary's teachings from the original Greek and Coptic offers a unique new perspective No secret oral tradition as extensive as this has ever been recorded and none has ever presented a Gnostic view of Mary Magdalene as she is

portrayed in this groundbreaking work as a powerful holy woman the innermost disciple and beloved wife of Jesus and a Christed woman who is coequal with Jesus in the Christ revelation The veil has been lifted Discover the Gospel truth about the most myth understood woman of the New Testament With her own eyes she saw him With her own ears she heard him With her own hands she touched him Venus in Sackcloth Marjorie M. Malvern, 1975 Prostitute saint penitent woman taken in adultery the Magdalen a Venus in sackcloth has evolved through two thousand years of iconography and literature little understood this original and provocative study shows The complex intermingling of the Magdalen myth in religion and culture provides a fascinating chapter in the history of ideas This important new book therefore not only fills a gap in religious and humanistic studies but also deepens our understanding of how the ideas implanted in the Magdalen figure were sustained over the years from her origins in Scripture and Apocrypha to rock opera in our time Among Malvern's perceptive findings is evidence that it is primarily the Mary Magdalene of the Gospel of John who evokes the fictionalization and early metamorphoses of the Magdalen figure In Gnostic writings used as a vessel embodying ambivalent attitudes toward life sex and women the Magdalen metamorphosed into the pure spiritual Mariham in the Pistis Sophia from Venus to Mary And in tracing the further transformation of and complex attitudes toward the Magdalen from the Crusades to the twentieth century Ms Malvern adds significantly to our understanding of the consequent shaping and transmission of the figure The enigmatic Magdalen according to the evidence presented has carried sometimes covertly the old radically dualistic religious and secular concepts into modern times
