

# Sexual Morality and the Concept of Using Another Person

Thomas A. Mapes

Advocating a liberal approach to sexual morality, Mapes attempts to determine the conditions under which someone would be guilty of sexually using another person. On his view, the morally significant sense of "using another person" is best understood in reference to the notion of voluntary informed consent. Accordingly, his central thesis is that one person (A) is guilty of sexually using another person (B) "if and only if A intentionally acts in a way that violates the requirement that sexual interaction with A be based on B's voluntary informed consent." Mapes emphasizes the importance of deception and coercion as mechanisms for the sexual using of another person, but he also insists that such using can result "taking advantage of someone's desperate situation."

The central tenet of conventional sexual morality is that nonmarital sex is immoral. A somewhat less restrictive sexual ethic holds that sex without love is immoral. If neither of these positions is philosophically defensible, and I would contend that neither is, it does not follow that there are no substantive moral restrictions on human sexual interaction. Any human interaction, including sexual interaction, may be judged morally objectionable to the extent that it transgresses a justified moral rule or principle. The way to construct a detailed account of sexual morality, it would seem, is simply to work out the implications of relevant moral rules or principles in the area of human sexual interaction.

As one important step in the direction of such an account, I will attempt to work out the implications of an especially relevant moral principle, the principle that it is wrong for one person to use another person. However ambiguous the expression "using another person" may seem to be, there is a determinate and clearly specifiable sense according to which using another person is morally objectionable. Once this morally significant sense of "using another person" is identified and explicated, the concept of using another person can play an important role in the articulation of a defensible account of sexual morality.

## I. Using Morally Significant Sense of "Using Another Person"

Historically, the concept of using another person is associated with the ethical system of Immanuel Kant. According to a fundamental Kantian principle, it is morally wrong for A to use B

# The Morality Of Consent

**John Joseph Ming**

## **The Morality Of Consent:**

**The Morality of Consent** Alexander M. Bickel, 1975-01-01 Contrasts liberal views in the tradition of John Locke with conservative Whig attitudes as personified by Edmund Burke in a consideration of moral duty and civil disobedience     [The Morality of Consent](#) Alexander Mordecai Bickel, 1998     **The Morality of Consent**, 1975     *The Ethics of Consent* Franklin Miller, Alan Wertheimer, 2009-10-30 Consent is a basic component of the ethics of human relations making permissible a wide range of conduct that would otherwise be wrongful Consent marks the difference between slavery and employment permissible sexual relations and rape borrowing or selling and theft medical treatment and battery participation in research and being a human guinea pig This book assembles the contributions of a distinguished group of scholars concerning the ethics of consent in theory and practice Part One addresses theoretical perspectives on the nature and moral force of consent and its relationship to key ethical concepts such as autonomy and paternalism Part Two examines consent in a broad range of contexts including sexual relations contracts selling organs political legitimacy medicine and research     **The Routledge**

**Handbook of the Ethics of Consent** Peter Schaber, Andreas Müller, 2018-06-14 While the importance of consent has been discussed widely over the last few decades interest in its study has received renewed attention in recent years particularly regarding medical treatment clinical research and sexual acts The Routledge Handbook of the Ethics of Consent is an outstanding reference source to this exciting subject and the first collection of its kind Comprising over thirty chapters by a team of international contributors the Handbook is divided into five main parts General questions Normative ethics Legal theory Medical ethics Political philosophy Within these sections central issues debates and problems are examined including the nature and normative importance of consent paternalism exploitation and coercion privacy sexual consent and criminal law informed consent organ donation clinical research and consent theory of political obligation and authority The Routledge Handbook of the Ethics of Consent is essential reading for students and researchers in moral theory applied ethics medical ethics philosophy of law and political philosophy This volume will also be very useful for those in related fields such as political science law medicine and social science     **The Morality of Freedom** Joseph Raz, 1986 This book explores within a liberal framework the nature significance and justification of political freedom or liberty Against recent liberal positions it is argued that political morality is neither rights based nor equality based What underlies rights and the value of freedom is a concern with autonomy     [Homosexuality FAQs - A Christian Perspective eBook](#) Daniel Lim & Ian Toh, 2022-07-22 Homosexuality is not a recent phenomenon or a newly emerged issue It exists since the ancient time despite the suppression by tradition and culture It started to surface in recent years as technology and media have developed in racing speed The society has become more open and acceptive to the topic people started to reflect on the traditional thinking on human relationship voices and discussions regarding homosexuality are getting common The word homosexuality which merely means same sex relationship in the past has evolved to LGBTQ which covers Lesbians Gays Bisexuals

Transgenders and Queers nowadays Although there are more discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore

#### Total Collapse: The Case Against Responsibility and Morality

Stephen Kershner, 2018-03-29 This book argues that there is no morality and that people are not morally responsible for what they do In particular it argues that what people do is neither right nor wrong and that they are neither praiseworthy nor blameworthy for doing it Morality and moral responsibility lie at the heart of how we view the world In our daily life we feel that people act rightly or wrongly make the world better or worse and are virtuous or vicious These policies are central to our justifying how we see the world and treat others In this book the author argues that our views on these matters are false He presents a series of arguments that threaten to undermine our theoretical and practical worldviews The philosophical costs of denying moral responsibility and morality are enormous It does violence to philosophical positions that many people took a lifetime to develop Worse it does violence to our everyday view of people A host of concepts that we rely on daily

praiseworthy blameworthy desert virtue right wrong good bad etc fail to refer to any property in the world and are thus deeply mistaken This book is of interest to philosophers lawyers and humanities professors as well as people interested in morality law religion and public policy *The Morality of Modern Socialism* John Joseph Ming,1909 Encyclopaedia of Religion and Ethics James Hastings,John Alexander Selbie,Louis Herbert Gray,1912 **The Constitution and Contemporary Constitutional Theory** Gary L. McDowell,1985 **Humanitarian Ethics** Hugo Slim,2015-01-09 Drawing on years of practical experience Slim helps humanitarians negotiate the complex world of ethics in conflict *The Ethics of Capitalism* Judson George Rosebush,1908 The Nineteenth Century ,1877 Restoring the Constitution, 1787-1987 H. Wayne House,1987 The Methods of Ethics Henry Sidgwick,1874 **Gleanings of Past Years, 1843-78** William Ewart Gladstone,1879 *International Journal of Ethics* ,1891 *Yale Law School and the Sixties* Laura Kalman,2005 Yale Law School and the Sixties Revolt and Reverberations Encyclopaedia of Religion and Ethics James Hastings,1951

### **The Morality Of Consent Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Morality Of Consent has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Morality Of Consent has opened up a world of possibilities. Downloading The Morality Of Consent provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Morality Of Consent has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Morality Of Consent. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Morality Of Consent. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Morality Of Consent, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Morality Of Consent has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About The Morality Of Consent Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Morality Of Consent is one of the best book in our library for free trial. We provide copy of The Morality Of Consent in digital format, so the resources that you find are reliable. There are also many eBooks related with The Morality Of Consent. Where to download The Morality Of Consent online for free? Are you looking for The Morality Of Consent PDF? This is definitely going to save you time and cash in something you should think about.
