**Book on Mediums** Allan Kardec,2007-03-01 A companion to his first book The Spirits Guide The Book on Mediums explains how to apply Allan Kardec's principles of his practical science of spiritism in order to become a medium. His aim is to teach interested readers those who believe in the existence of the spirit world and people with a strong desire to communicate with the dead how to cultivate their sensitivity to the paranormal. It is a serious undertaking and Kardec warns his reader to approach the subject with a scholarly mind and pure intentions. For those who are willing there is a whole new world just waiting to be experienced. French scholar HIPPOLYTE LEON DENIZARD RIVAIL 1804-1869 aka Allan Kardec was a longtime teacher of mathematics astronomy and other scientific disciplines before turning to the paranormal. He founded the Parisian Society of Psychologic Studies and founded and edited the monthly magazine *La Revue Spirite* Journal of Psychologic Studies. He is also the author of *The Gospel as Explained by Spirits* 1864

*The Mediums' Book: How Mediums Use Spiritual Manifestations and Psychic Energy to Talk to Ghosts and Spirits* Allan Kardec,Anna Blackwell,2018-08-09 The Mediums Book sees Allan Kardec introduce and explain how human beings can communicate with the vast spiritual realm. Through this book we learn how to make contact with spirits of humans and ancestors and identify both good and evil spirits. An excellent book of spiritual guidance Kardec explains the methods of mediumship. How a seeker of the spirits can build an understanding of the practices needed to summon and how the rituals must be carried out is covered in many detailed chapters. Kardec is honest about the pitfalls upsetting the spirits or incurring the wrath and misfortune unleashed by malevolent spirits is something a medium must always be cautious of. In studying the behavior of the spirits Kardec answers questions about whether they attach themselves to people or objects. We discover why spirits can manifest even without the presence of a learned medium such as in haunted houses or other sites
