The MESSIAH

In this heart-pounding thriller full of dark passion, an ambitious investigative reporter faces off with a mysterious serial killer who might just turn out to be his own lover.

Gabriel Kaine is working furiously to revive his stalled reporting career. Years ago, he got his first big break by investigating murders committed by a killer known as the Messiah. But when the Messiah vanished from the public six months ago, Gabriel's success hit a downward slope.

Now the Messiah has returned, and no one is safe from his evil. Desperate to bring this man to justice and to reap the professional reward for uncovering the final truth, Gabriel teams up with Jazz McKinney, the only known survivor of an encounter with the Messiah who was freed by the killer so he could warn others of the Messiah's impending return. But as Gabriel and Jazz come closer to discovering the Messiah's identity, Gabriel realizes all the evidence points to Dr. Garrett Ford—a respected doctor and Gabriel's lover.

The personal stakes have never been higher, and readers will be on the edge of their seats to see what awful truths are uncovered in this tale of misguided passion, deadly secrets, and thrilling danger.

The First Male Lee Hayes,2012-09-04 The author of The Bad Seed takes readers on a dark and sinister journey as a young man learns of his destiny to destroy the world The first male born from the first Thibodeaux male has been prophesied to become the destroyer of worlds Adelaide Thibodeaux the Priestess Supreme of the Sister Clan has a sworn duty to protect the world even against her own flesh and blood Her powerful magic has kept the first male her grandchild hidden from everyone including herself A spell she cast at his birth binds his power but as he nears his twenty first birthday and The Ascension her spell is on the verge of collapsing If it breaks nothing will prevent him from assuming his full powers With the maturation of his strength Adelaide fears he will usher in a new world order through fire and blood as foretold centuries ago In a deadly race against the forces of the Shadows Adelaide must find and protect the first male from his own destiny Simon Cassel has always been different At a very young age he learned to hide his extraordinary abilities and to ignore the preternatural events that surrounded him Now as his twenty first birthday approaches he can no longer ignore the supernatural changes that have turned his world upside down He knows that he is changing becoming something else

linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John s language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John s enigmatic language is wedded to the Evangelist s purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel s Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John s unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God **The Deseret Weekly** ,1891 Looking Into the Future David Weston Baker,2001 Stay current on eschatological issues in theology biblical studies and ethics with these essays from leading evangelical scholars **The Glory of Israel** ,1913 Pictorial Americana Harry G.
