The Middle East Peace Process Vision Versus Reality:

The Middle East Peace Process Edwin G. Corr, Joseph Ginat, Edward Joseph Perkins, 2002 **The Middle East Peace Process** J. Ginat, Edward Joseph Perkins, Edwin G. Corr, 2002 Since October 2000 the Al Aqsa Intifada uprising has shattered any recognisable peace process Part of the Studies in Peace Politics in the Middle East series this work deals with the Palestinian Israeli conflict It also addresses the full range of the reconciliation process between Israel and the Arab World

Track Two Diplomacy and Jerusalem Tom Najem, Michael James Molloy, Michael Dougall Bell, John Bell, 2017-02-03
Track Two Diplomacy and Jerusalem is the first in a series of three books which collectively present the work of the Jerusalem Old City Initiative or JOCI a major Canadian led Track Two diplomatic effort undertaken between 2003 and 2014 JOCI's raison d'être was to find sustainable governance solutions for the Old City of Jerusalem arguably the most sensitive and intractable of the final status issues dividing Palestinians and Israelis Track Two Diplomacy and Jerusalem includes a series of studies that place JOCI within its historical setting and explain the theoretical context of Track Two diplomacy The book then proceeds to present the Initiative's culminating documents which outline in detail its proposed Special Regime governance model Until now the proposals have remained unpublished and available only to a limited audience of key stakeholders Presenting the information in an accessible format this book will contribute positively to the wider conversation on Jerusalem especially with respect to the longstanding conflict over control and governance of this holy city It will therefore be of value to several audiences from the policy making community to the various traditions found in academia

Conflicted are the Peacemakers Eric N. Budd, 2012-12-20 The 1993 Oslo Accords were a key attempt to resolve the Palestinian Israeli conflict whose failure was largely attributed to extremists on both sides The book challenges this conventional wisdom by examining the role of Israeli and Palestinian peacemakers themselves in derailing the peace process Looking at the role of moderates before and after Oslo the different agreements and peace proposals they negotiated and their rhetoric the book shows that these peacemakers retained an inherent ambivalence toward the peace process and one another This prevented them and their constituents from committing to the process and achieving a lasting peace This unique survey shows how the people who drive the peace process can not only undermine it but also prevent its successful conclusion By dealing with such an important aspect of negotiation the book will foster a better understanding of the role of moderates and why peace processes may falter It will fill a gap in the literature and be a valuable research tool for anyone studying conflict processes the Arab Israeli conflict and Middle East politics Discourse, Media, and Conflict Innocent Chiluwa, 2022-04-28 This book applies approaches in linguistics to analyse the role of news media in conflict and peace processes Peacemaking from Above, Peace from Below Norrin M. Ripsman, 2016-05-31 In Peacemaking from Above Peace from Below Norrin M Ripsman explains how regional rivals make peace and how outside actors can encourage regional peacemaking Through a qualitative empirical analysis of all the regional rivalries that terminated in peace treaties in the

twentieth century including detailed case studies of the Franco German Egyptian Israeli and Israeli Jordanian peace settlements Ripsman concludes that efforts to encourage peacemaking that focus on changing the attitudes of the rival societies or democratizing the rival polities to enable societal input into security policy are unlikely to achieve peace Prior to a peace treaty he finds peacemaking is driven by states often against intense societal opposition for geostrategic reasons or to preserve domestic power After a formal treaty has been concluded the stability of peace depends on societal buy in through mechanisms such as bilateral economic interdependence democratization of former rivals cooperative regional institutions and transfers of population or territory Society is largely irrelevant to the first stage but is critical to the second He draws from this analysis a lesson for contemporary policy Western governments and international organizations have invested heavily in efforts to promote Israeli Palestinian and Indo Pakistani peace by promoting democratic values economic exchanges and cultural contacts between the opponents Such attempts to foster peace are likely to waste resources until such time as formal peace treaties are concluded between longtime adversaries [Negotiating Arab-Israeli Peace](#) Laura Zittrain Eisenberg,Neil Caplan,2025-04-22 Fifteen years since the publication of its second edition this foundational text in the history of Arab Israeli peacemaking endeavors has been updated to include developments from the past twenty five years Thoroughly revised and expanded the third edition of Negotiating Arab Israeli Peace examines the history of recurrent efforts to resolve the Arab Israeli conflict since the 1970s and identifies a pattern of negative negotiating behaviors that repeatedly derail peacemaking efforts In addition to updating all of the book's existing chapters with post 2010 sources and developments authors Eisenberg and Caplan have added new chapters on the Arab Peace Initiative the Annapolis Conference the Kerry mission and the Abraham Accords as well as a conclusion that questions several core notions regarding the nature of the conflict the possibility of its resolution Arab Israeli normalization and the viability of the two state solution An epilogue extends the book's framework into present day crises in the region specifically Hamas's 7 October 2023 attack on Israel and Israel's war against Hamas in Gaza A companion website comprises nine appendices among them 145 primary source documents expanded notes links to websites for maps data and analysis peace activities and additional visual and documentary sources Also online is a robust instructor's guide offering supplementary resources and ideas for assignments research and classroom exercises all of which draw upon and complement the themes running throughout the text By measuring contemporary diplomatic episodes against the historical pattern of counterproductive negotiating habits Negotiating Arab Israeli Peace makes possible a coherent comparison of some eighty years of Arab Israeli negotiations and offers readers a framework with which to assess the relative strengths and weaknesses of peace making attempts past present and future [The Israeli-Palestinian Peace Process](#) Robert L. Rothstein,Moshe Ma'oz,Khalil Shiqāqī,2002 Acknowledging that much has happened since late March 2001 when the 11 papers were presented to a conference at Colgate University the editors decided that at some point the peace process in the Middle East will have to be resumed and

perspectives of these Arabic and Israeli scholars and diplomats might be of help Among them are whether the parties can afford the ending of the conflict domestic Israeli politics the Oslo Peace Process from breakthrough to breakdown and whether there are only lessons of failure The book is distributed in the US by ISBS Annotation copyrighted by Book News Inc Portland OR

Good Neighbourly

Relations Dona J.
