## **TikTok How To Open Now:**

**Every Screen on the Planet** Emily Baker-White, 2025-09-30 The story of the most effective attention algorithm ever invented and the superpower struggle to control it Every Screen on the Planet is the first major book on one of the most dramatic business stories of our time Touching on politics finance data and technology the struggle over TikTok has enormous implications for our information landscape and the technological cold war between the United States and China Emily Baker White s engrossing narrative charts TikTok s rise from obscurity into the world s most valuable startup led by its ambitious founder Zhang Yiming arguably the father of the modern recommendation algorithm Zhang s products reshaped the global internet from a place where you searched for information to one where information came to you TikTok seemed to know its users in an almost spooky way provoking wonder and delight People were hooked We intend to become ubiquitous a new hire training video said to put TikTok on every screen on the planet But virtually everything about TikTok s users their interests locations and even their unspoken desires was accessible to staff in Beijing After Baker White a Harvard trained lawyer and investigative reporter revealed that Chinese engineers could access Americans private information a team of employees used the app to track her location and attempt to expose whistleblowers This incident triggered an ongoing criminal investigation and escalated the US government s fight against Chinese tech TikTok was the first Chinese app to become a US juggernaut and lawmakers soon recognized its potential for surveillance and propaganda and the threat it might pose in the hands of their rivals Yet even as hawks in Congress gained support to ban the app the White House was secretly negotiating for unprecedented control over its information stream In 2025 when President Donald Trump declined to enforce the so called ban law TikTok seemed to complete a miraculous corporate escape It retained its influence profits and power but now operated at the pleasure of two strongmen China s Xi Jinping and Trump himself **Love Goes Viral**

Alexander Berman, Camille Stochitch, Estelle Laure, 2026-01-06 An aspiring pop star crafts a fake relationship with a small town boy to rehab her image until her ex and her real feelings get in the way in this sweeping romance perfect for fans of Lynn Painter Love Thompson went viral Now she has it all fifty million followers brand deals a Hollywood address and the fast track to the music career she s always dreamed of until she doesn t After Love takes the blame for her influencer boyfriend s mistake the fallout goes more viral than the video that rocketed her to fame By the next morning she s already lost sponsorships ten million followers and her debut single Love needs to rehab her image and that means dating someone a little more homegrown Enter Austin Grey Austin is about as homegrown as it gets His only followers are the regulars at his family s struggling diner that he s doing his best to save But everything changes when he gets a DM from a star he never expected to cross paths with again When Love walks back into Austin s life she thinks this is a purely online scheme with an expiration date But as genuine feelings start to develop that keep them coming back to each other again and again will either of them be willing to take a chance on something real **Dis.Ordering Distribution** Cornelia Storz, Vinzenz

Hediger, Matthias Krings, 2025-09-23 **Dis Ordering Distribution** explores the intricate relationship between distribution and production drawing on empirical evidence from two vibrant centers of cultural production Africa and Asia

**Antisemitism on Social Media** Monika Hübscher, Sabine von Mering, 2022-03-22 **Antisemitism on Social Media** is a book for all who want to understand this phenomenon Researchers interested in the matter will find innovative methodologies CrowdTangle or Voyant Tools mixed with discourse analysis and new concepts tertiary antisemitism antisemitic escalation that should become standard in research on antisemitism on social media It is also an invitation to students and up and coming and established scholars to study this phenomenon further This interdisciplinary volume addresses how social media with its technology and business model has revolutionized the dissemination of antisemitism and how this impacts not only victims of antisemitic hate speech but also society at large The book gives insight into case studies on different platforms such as Twitter Facebook TikTok YouTube and Telegram It also demonstrates how social media is weaponized through the dissemination of antisemitic content by political actors from the right the left and the extreme fringe and critically assesses existing counter strategies People working for social media companies policy makers practitioners and journalists will benefit from the questions raised the findings and the recommendations Educators who teach courses on antisemitism hate speech extremism conspiracies and Holocaust denial but also those who teach future leaders in computer technology will find this volume an important resource
