

The background of the entire image is a dark, atmospheric photograph of a tunnel. The left half of the image shows a perspective view of a tunnel with a light source at the far end, creating a sense of depth and mystery. The right half is a darker, more textured close-up of the tunnel's interior. The text is overlaid on this background.

from the Behavioral Analysis Unit and assigned to the FBI's new Antiquities unit. The unit formed to hunt down priceless relics in the global world of antiquities has no idea how to enter the mind of a murderer. Remi Laurent, 34 brilliant history professor at Georgetown, is the world's leading expert in obscure historic artifacts. Shocked when the FBI asks for her help to find a killer, she finds herself reluctantly partnered with this rude American FBI agent, Special Agent Walker. Remi Laurent and Walker are an unlikely duo with his ability to enter killers' minds and her unparalleled scholarship. The only thing they have in common is their determination to decode the clues and stop a killer. When an American is found murdered in Italy, the victim of a potential serial killer obsessed with ancient church relics, the FBI's Antiquities unit is summoned to help. Special Agent Walker knows he needs Remi's scholarship to decode the undecipherable puzzle that leads them in a wild race across Italy from the secrets of the Vatican to forgotten churches in Tuscany. Together they must follow the clues, peel back the layers of history, and solve the riddle before the killer strikes again. But will they be too late? An unputdownable crime thriller featuring an unlikely partnership between a jaded FBI agent and a brilliant historian, the REMI LAURENT series is a riveting mystery grounded in history and packed with suspense and revelations that will leave you continuously in shock and flipping pages late into the night. Books 4, 6 in the series, *THE VENGEANCE CODE*, *THE DECEPTION CODE*, and *THE SEDUCTION CODE* are also available.

Faith and Fiction Anita Gandolfo, 2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes, most notably Dan Brown's *The Da Vinci Code*. The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications. It is emblematic of the contemporary American Zeitgeist. Traditionally, literature is both mirror and lamp, reflecting the society that produces it and illuminating the values and interests of that society. Recognizing both of those perspectives, Gandolfo examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available. The phenomenon surrounding Dan Brown's *The Da Vinci Code* has led to a cottage industry of interpretations, attacks, and commentaries, but one thing is certain: the book has had an enormous impact on American society, culture, and religious understanding. Not to mention the publishing industry, which scrambles to find similar religious books to feed to an eager public. But *The Da Vinci Code* is not the only book of its type on the market today. In recent years there has been an explosion in the market for fiction on religious topics and themes, with an entire series devoted to the impending Rapture as described in the *Left Behind* series. Some fiction does not take an explicitly religious theme as these books do. Instead, writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters. Regardless of the specific approach, what is not in doubt is that American readers have made the authors of these works wealthy, as bookstores cannot stock their shelves with enough copies. Why the recent surge of interest in Christian fiction? How does it reflect trends in our culture and our lives? How has it changed our society and our understanding of

spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Faith and Fiction examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available

The Routledge Companion to Theatre-Fiction Graham Wolfe, 2023-11-14 Novelists have long been attracted to theatre Some have pursued success on the stage but many have sought to combine these worlds entering theatre through their fiction setting stages on their novels pages and casting actors directors and playwrights as their protagonists The Routledge Companion to Theatre Fiction has convened an international community of scholars to explore the remarkable array of novelists from many eras and parts of the world who have created fiction from the stuff of theatre asking what happens to theatre on the pages of novels and what happens to novels when they collaborate with theatre From J W Goethe to Louisa May Alcott Mikhail Bulgakov Virginia Woolf and Margaret Atwood some of history's most influential novelists have written theatre fiction and this Companion discusses many of these figures from new angles But it also spotlights writers who have received less critical attention such as Dorothy Leighton Agustín de Rojas Villandrando Ronald Firbank Syed Mustafa Siraj Li Yu and Vicente Blasco Ibañez bringing their work into conversation with a vital field A valuable resource for students scholars and admirers of both theatre and novels The Routledge Companion to Theatre Fiction offers a wealth of new perspectives on topics of increasing critical concern including intermediality theatricality antitheatricality mimesis diegesis and performativity
