## Tiktok This Month:

Management Cases Edited by Rommel Sergio,2022-03-19 Any organization worth its salt would have a thriving story to tell The COVID 19 pandemic has brought incredibly disruptive challenges to organizations worldwide Lest be labeled as wanting because of the magnitude of the problems that beset business and educational organizations must take it upon themselves to discover and present to the world the novel management practices that arose out of the problems that these organizations have experienced This book provides management cases that deal with the organization's implicit challenges and at the same time the best practices that have positively affected the growth of the business or organizational enterprise Educators and trainers of today will benefit from this book in their teaching of management cases The book integrates global issues with a local flair to provide practical experiences in various business and educational settings during the pandemic The cases include scope within change management organizational development human resource management

organizational behavior corporate social responsibility innovation sustainability educational management supply chain management business ethics and strategic management    *The Content Governance Dilemma* Edoardo Celeste,Nicola Palladino,Dennis Redeker,Kinfe Yilma,2023-07-30 This open access book is one of the first academic works to comprehensively analyse the dilemma concerning global content governance on social media To date no single human rights standard exists across all social media platforms allowing private companies to set their own rules values and parameters On the one hand this normative autonomy raises serious concerns primarily around whether companies should be permitted to establish the rules governing free speech online On the other hand if social media platforms simply adopted international law standards they would be compelled to operate a choice on which model to follow and put in place mechanisms to uphold these general standards This book examines this topic from a multidisciplinary perspective drawing from the expertise of the authors in law political science and communication studies It provides a carefully reconstructed theory of the content governance dilemma as well as pragmatic solutions for companies and policymakers In this way the book not only benefits academics by advancing the debate on content moderation issues but also informs new policies and regulatory strategies by offering an up to date overview of rules and tools for content moderation as well as an evaluation of their current level of compliance with standards emerged in international human rights law and digital constitutionalism initiatives

*Introduction to Information Systems* R. Kelly Rainer,Brad Prince,2025-11-04 As digital transformation becomes increasingly central to effective corporate strategy today's students must learn how information systems provide the foundation for modern business enterprises Known for its rich content and focus on active learning *Introduction to Information Systems* 11th Edition shows students how they can use IS to help their current or future employers increase profitability improve customer service manage daily operations and drive impact in their markets This course demonstrates that IT is the backbone of any business whether a student is majoring in accounting finance marketing human resources

production operations management or MIS In short students will learn how information systems provide the foundation for all modern organizations whether they are public sector private sector for profit or not for profit **The Age of Decentralization**

Sam Ghosh,Subhasis Gorai,2024-10-15 The Age of Decentralization talks about various decentralization technologies including Web3 decentralized identity and decentralized storage and how they can be incorporated in traditional tech architectures to improve technical and business performance In this book the authors take us on a journey through the tech landscape exploring how decentralized technologies including Web3 are on the verge of becoming mainstream and offer a practical roadmap for understanding and embracing this shift Web2 brought us the great centralization by centralizing not only data but also business processes blurring the industry boundaries So payment platforms started offering e commerce services and ride hailing services started delivering food Scale became the most effective moat But at the same time these huge platforms became a magnet for security threats and started violating user privacy rights and consumer rights The authors argue that the technological regulatory and social landscape is ready for the next evolution of technology systems as decentralization technologies get incorporated into traditional architectures This book serves as a guide for readers to understand the fundamentals of Web3 along with other decentralized technologies and creates a framework for incorporating them into traditional architectures At the same time the authors explore the organization level as well as the macro implications of decentralized technologies

**No Hard Feelings** Genevieve Novak, 2022-04-01 Hungover underpaid and

overwhelmed this isn't where Penny expected to be as she reached her late twenties A sharp smart and witty look at adulting

Fleabag meets Sorrow and Bliss with a splash of Dolly Alderton No Hard Feelings is clever funny and surprisingly sweet and

Penny captured my heart Toni Jordan I exist on validation from emotionally unavailable men biscuits and cheap wine and it's

easier to get off with Max than a Tiny Teddy Penny can't help but compare herself to her friends Annie is about to become a

senior associate at her law firm Bec has just got engaged Leo is dating everyone this side of the Yarra and Penny is just

waiting Waiting for Max her on again off again boyfriend to allow her to spend the night waiting for the promotion she was

promised waiting for her Valium to kick in Waiting for her real life to start Out of excuses and sick of falling behind Penny is

determined to turn things around She's going to make it work with Max impress her tyrannical boss quit seeing her useless

therapist remember to water her plants and stop having panic attacks in the work toilets But soon she's back to

doomscrolling on Instagram necking bottles of Aldi's finest sauvignon blanc and criticising herself with renewed vigour and

loathing As her goals seem further away than ever she has to wonder when bad habits feel so good how do you trust what's

right for you Praise for No Hard Feelings Genevieve Novak will inevitably be compared to other authors but the truth is she

is herself and herself alone and that's a good thing Funny biting vulnerable and unflinching Novak's novel is like an ocean dip

a bit salty very refreshing Lauren Sams Scaldingly funny and bitingly real No Hard Feelings deserves a warning label danger

may induce binge reading With her sly wit Genevieve Novak's debut demonstrates a brilliant eye for observing the little

things in life which together can be the biggest things of all Tori Haschka author of Grace Under Pressure No Hard Feelings

is a gratifying warm and funny debut Books Publishing Novak has perfectly captured the self doubt and total horror of having to be happy and functional in your twenties It would have you crying into your chipped manicure if it wasn t so darn funny Kimberley Allsopp author of Love and Other Puzzles     *Annual Report* United States. Congressional-Executive Commission on China,2020

**TikTok as Entertainment or Misleading App?** John Maish,2023-09-20 Essay from the year 2021 in the subject Communications Mass Media grade 3 0 University of California San Diego course Media Studies language English abstract This essay critically analyzes the popular video sharing app TikTok and questions whether it should be perceived primarily as an entertainment platform or as a source of misleading content The author reflects on how TikTok s algorithmically customized feed and divination videos promoted addictive viewing habits and dubious life advice in a friend However the app also spreads joy through funny videos The essay concludes that while TikTok has merit as an entertainment app users should be cautious of videos that try to deceptively influence major life decisions Overall the essay urges readers to approach TikTok with nuance enjoying its amusing content while maintaining skepticism about guidance from its most exploitative corners
