The Youth Athlete Brian J. Krabak, M. Alison Brooks, 2023-06-22 The Youth Athlete A Practitioner's Guide to Providing Comprehensive Sports Medicine Care includes topics that provide the most comprehensive and holistic understanding of the youth athlete The foundation of the book focuses on the growth and development of the athlete from child to adolescence balancing their physical mental and emotional needs The middle sections expand on this foundation concentrating on common injuries and illnesses as well as unique topics e.g. Female Athlete Triad Sports Specialization Final sections emphasize specific sports e.g. Soccer Basketball eSports allowing the reader to synthesize the previous information to assist with return to play decision making Written from a scientific perspective and incorporating evidence based medicine into its content this book is perfect for health care practitioners of varied specialties The complete and comprehensive structure of the book will clearly distinguish it from all other textbooks on the market Covers diverse topics that reflect our current understanding of youth athletes and issues related to their care Incorporates evidence based approach highlighting the latest state of the art information and research Written by global content experts throughout the sports medicine field

Contagions of Empire Khary Oronde Polk, 2020-04-17 From 1898 onward the expansion of American militarism and empire abroad increasingly relied on black labor even as policy remained inflected both by scientific racism and by fears of contagion Black men and women were mobilized for service in the Spanish Cuban American War under the War Department's belief that southern blacks carried an immunity against tropical diseases Later in World Wars I and II black troops were stigmatized as members of a contagious venereal race and were subjected to experimental medical treatments meant to curtail their sexual desires By turns feared as contagious and at other times valued for their immunity black men and women played an important part in the U.S. military's conscription of racial gender and sexual difference even as they exercised their

embattled agency at home and abroad By following the scientific medical and cultural history of African American enlistment through the archive of American militarism this book traces the black subjects and agents of empire as they came into contact with a world globalized by warfare *Chemistry and Physics of Energetic Materials* S.N. Bulusu,2012-12-06 This book represents a collection of lectures presented at the NATO Advanced study Institute ASI on Chemistry Physics of the Molecular Processes in Energetic Materials held at Hotel Torre Normanna Altavilla Milicia Sicily Italy September 3 to 15 1989 The institute was attended by seventy participants including twenty lecturers drawn from thirteen countries The purpose of the institute was to review the major ad vances made in recent years in the theoretical and experimen tal aspects of explosives and propellants In accordance with the format of the NATO ASI it was arranged to have a relatively small number of speakers to present in depth re view type lectures emphasizing the basic research aspects of the subject over a two week period Most of the speakers gave two lectures each in excess of one hour with addition al time for discussions The scope of the meeting was limit ed to molecular and spectroscopic studies since the hydro dynamic aspects of detonation and various performance crite ria of energetic materials are often covered adequately in other international meetings An attempt was made to have a coherent presentation of various theoretical computational and spectroscopic approaches to help a better understanding of energetic materials from a molecular point of view The progress already made in these areas is such that structure property e g *Air Force and Navy Rocket Launcher Procurement* United States.
