Reasserting the Disney Brand in the Streaming Era Robert Alan Brokey,Jason Phillips,Timothy Pollard,2023-04-07

Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney s acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney s catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology

Swish Tom Carter,2025-10-21 **SHE S THE ONLY ONE WHO CAN PREVENT HELL ON EARTH** Abigail Lewis can t remember a thing about the horrific car accident that killed her mother and landed her in the care of her uncle Tom when she was six years old Eleven years later and Abby s life is a living hell She s physically abused by her alcoholic uncle and bullied at school Since she and Tom moved to the farm six months ago her nightmares have worsened They somehow feel real Like something evil is on its way There s no light at the end of the very dark tunnel that is her life Until Mike arrives It s as if this mysterious boy fell from the sky Abby can t believe her luck when he takes a special interest in her His unconventional and other worldly good looks immediately draw her to him but when she realizes he has abilities far beyond that of any normal human she questions whether he s there to help her or harm her What is it about him He s gorgeous He looks like a bad boy She s falling for him In a big way And now she s entered a world of supernatural forces fallen angels demons and even Lucifer himself She has to save her own life and Mike s the heaven sent angel who has come to protect her Fans of **TWILIGHT** by Stephanie Myer **FALLEN** by Lauren Kate **HUSH HUSH** by Becca Fitzpatrick or **TOUCHED** by Elisa S Amore will enjoy **Swish** by Tom Carter

Dream Andrew Lainsbury,2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe's love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it Once Upon an American Dream is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty's Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about **Punch** ,1987-05 *Nation's Business* ,1992
