His Lady Sorceress Terri Mahoney, 2020-08-14 I see you have caught our runaway Thank you Sir We will take her off your hands now I cringed Thomrick my other step brother and tormented Many knew him as the punisher He would beat me black and blue when I got back I unconsciously moved closer to the stranger She is but one small woman What would warrant so many of you chasing her down That deep timbre again I wanted to curl into it None of your affair now give us back what belongs to us Thomrick and he sounded nasty I decided to risk peeking around the stranger Just then Halvor stepped forward I moved even closer to my giant champion I looked from Halvor to the warrior Nobody was as big as Halvor At least not until now I looked up at my human shield He must have felt it because he looked over his shoulder and down at me I was afraid he was going to hand me over but he just winked at me He winked at me What was that about And I do not know what she has told you but she is a liar She must be dealt with Halvor focused his attention on me his eyes narrowing He moved forward The warrior did not move he just swung his sword in a sweeping arc I shivered and inched even closer to the stranger between me and Halvor Do not fear sa litli We will get you back safe to your family The words a rumbled whisper He was wrong of course The only way this was ending was a beating for me while my whole family looked on That is my family My step brothers Thomrick and Halvor I felt the warrior tense He looked down at me and I nodded my head yes My step family my true parents are dead I finished the words in a hushed whisper I never knew my father he was dead before my mother even gave birth to me I am sorry sa litli We will figure this out He nodded his head

confidently What was there to figure out He would return me to my home Father would order Thomrick to beat me and I would spend the rest of my days trying to keep Halvor from raping me Which would bring more beatings until if I ever got lucky I died See She belongs to us Now give her over she has amends to make Halvor raked his eyes my way and I felt sick again I slid back behind the stranger She belongs to me If she must return to her home then it is with me I would know why you have treated her so The rumble in the warrior s voice sounded deadly
