## Wealth Magick:

**Wealth Magick** Damon Brand, 2014-10-30 Damon Brand reveals the closely guarded secrets of the super rich. This much sought after volume is available once more. It contains a complete magickal system for attracting great wealth. The system has been developed over thirty years by a group of occultists known as The Gallery of Magick. Magick is not for everybody and the magick in this book is certainly not suitable for the casual user or for somebody who just wants a little extra cash. Although you do not need any particular skills or experience to benefit from this book you do need to dedicate time, effort and mental energy to the working as well as moving the focus of your life to wealth. If you are prepared for that level of commitment there can be great rewards. This book is designed for those who want to focus on long term wealth creation. It is not designed for those in desperate poverty but for those who can afford to turn their attention to wealth. Damon says To be clear and for the sake of complete honesty I am not super rich but I am extremely wealthy compared to where I was a few years ago and compared to my childhood I feel like a billionaire. I have also found that the effects of the working grew long after it was initially performed with my wealth continuing to expand years later. How rich you become is up to you. Wealth Magick concentrates magick into a series of workings that will enable you to attract the wealth you desire. If you want money it's yours. As Damon Brand points out magick is often over complicated. He says Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals and magickal gadgets. The good news is that most of this can be thrown out. Everything you need is contained in Wealth Magick. You do not have to spend years performing endless spells or make offerings to dangerous spirits. This method has been concentrated into the purest magick. You begin attracting wealth from day one. You should note however that this is not a quick fix and although the daily rituals are brief several months of dedication are required. The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle based on a flow of extreme prosperity. Only go ahead if you genuinely want to focus on creating wealth and if you are willing to accept the challenges and changes that come with extreme wealth. You will discover The number one mistake people make when trying to manifest money. A set of unique secret seals drawn from ancient texts and combined with modern magick. The power of The Daily Practice Seven wealth workings that can not be found anywhere else. **WARNING** This book uses angels and demons to attain your desires. The entire working is made safe by three omnipotent angels who oversee the operation but if the thought of working with demons makes you uneasy look to my other books such as *Magickal Cashbook* and *Magickal Riches* which have no demonic content. **DISCLAIMER** Magick is not for everybody. If you are drawn to magick you will get good results. If you are afraid of magick you will not. The magick in Damon Brand's books has been developed by The Gallery of Magick to get results safely. There is plenty of evil in the world but there is no evil in these books. You will not be punished by karma or chased down by demons and there is no magickal backlash that will punish you for being rich. But if you are afraid of magick or think that magick is

evil or that you are underserving of wealth this book is not for you If you're uncertain you can read more about magick on the website If you feel that magick can help you take control of your life then welcome the power that this book offers
