Yvonne Westphal, 2024-04-08 *Honey and Spice* Bolu Babalola, 2022 Introducing internationally bestselling author Bolu Babalola's dazzling debut novel full of passion, humor, and heart that centers on a young Black British woman who has no interest in love and unexpectedly finds herself caught up in a fake relationship with the man she warned her girls about. Sweet like plantain, hot like pepper. They taste the best when together. Sharp tongued and secretly soft hearted, Kiki Banjo has just made a huge mistake. As an expert in relationship evasion and the host of the popular student radio show Brown Sugar, she's made it her mission to make sure the women of the African Caribbean Society at Whitewell University do not fall into the mess of relationships, players, and heartbreak. But when the Queen of the Unbothered kisses Malakai Korede, the guy she just publicly denounced as The Wasteman of Whitewell in front of every Blackwellian on campus, she finds her show on the brink. They're soon embroiled in a fake relationship to try and salvage their reputations and save their futures. Kiki has never surrendered her heart before and a player like Malakai won't be the one to change that. No matter how charming he is or how electric their connection feels. But surprisingly, entertaining study sessions and intimate late night talks at old fashioned diners force Kiki to look beyond her own presumptions. Is she ready to open herself up to something deeper? **How to end**

**a love story** Yulin Kuang, 2024 Helen Zhang hasn't seen Grant Shepard once in the thirteen years since the tragic accident that bound their lives together forever. Now a bestselling author, Helen pours everything into her career. She's even scored a coveted spot in the writers room of the TV adaptation of her popular young adult novels, and if she can hide her imposter syndrome and overcome her writer's block, surely the rest of her life will fall into place too. LA is the fresh start she needs. After all, no one knows her there. Except Grant has done everything in his power to move on from the past, including building a life across the country. And while the panic attacks have never quite gone away, he's well liked around town as a screenwriter. He knows he shouldn't have taken the job on Helen's show, but it will open doors to developing his own projects that he just can't pass up. Grant's exactly as Helen remembers him: charming, funny, popular, and lovable in ways that she's never been. And Helen's exactly as Grant remembers: too brilliant, beautiful, closed off. But working together is messy and

electrifying and Helen's parents who have never forgiven Grant have no idea he's in the picture at all. When secrets come to light they must reckon with the fact that theirs was never meant to be any kind of love story. And yet the key to making peace with their past and themselves might just lie in holding on to each other in the present.
