We are proudly presenting the proceedings of the 2nd International Conference on Social Sciences 2019 (ICSS 2019). It has focus on the relation of governance and sustainable development. The issue of governance, politics, policy and sustainable development is important today. Not only globally but also Indonesia nationally to the local level. There are several important issues relating to this both institutionally and the relationships between individuals and groups in supporting the agenda of sustainable development. More than 100 manuscripts were presented at this conference with more than 50 of them selected to be published in proceedings. We hope by this conference discussions on the importance of sustainable development will increasingly become an important concern together. Brings better response from the government and social relations for development.
