Weather And The Bible 100 Questions And Answers:

Weather and the Bible Donald De Young,1992-09-01 Written from a creationist viewpoint this question answer format provides nontechnical explanations for children or adults who wonder about weather phenomena in Bible times and today

Weathering the Psalms Steve A. Wiggins,2014-12-03 The weather is all around us all the time From ancient times people have attributed the weather to the work of the gods Ancient Israel shared this perception The book of Psalms reflects theologically significant views on the weather that have not until now been fully explored In this meteorological survey of the Psalms whimsically called meteorotheology every reference to the weather is translated in accordance with the known climate and weather of ancient Israel Each verse is discussed with particular attention to the function of the weather in the hymnal of ancient Israel This book will be a resource for translators clergy and scholars with an interest in how the weather impacted religious outlooks in ancient Israel Readers will learn that some expected associations such as thunder and lightning did not influence Israelite views on the natural world in the same way that they do today Yahweh was God of the weather and the Psalms frequently use this paradigm as a reason for both praise and fear of the Lord The Weather

Experiment Peter Moore,2015-06-02 A history of weather forecasting and an animated portrait of the nineteenth century pioneers who made it possible

The Bible Made Impossible Christian Smith,2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible s exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked *Creation Research Society Quarterly* Creation Research Society,1992
