--	-------------------------------	---------------------------------------

I. POLICY

It is the policy of Wraparound Milwaukee that all enrollee-related activities provided by Care Coordinators/Transition Coordinator be documented in Synthesis (*Wraparound Milwaukee's IT system*). The Progress Note, as defined in Synthesis, consists of the date of the note, the note text and the writer's signature.

II. PROCEDURE

- A. All Progress Notes (see *Attachment 1 – Sample Progress Note Entry and Attachment 2 – Crisis and Documentation Guidelines*) must be completed and finalized in Synthesis within ten (10) days of the contact. A hard copy of the Progress Notes are no longer required to be kept in the client file, as they are now part of the electronic record.
- B. Progress Notes are electronically signed by the author. For notes that are not electronically signed, the printed progress notes must be signed with the full name (or a minimum first initial and last name) of the writer and his/her credential (i.e., M.A., B.A., etc.). If the author of a Progress Note is not available to sign the Note (i.e., a Care Coordinator/Transition Coordinator unexpectedly leaves an Agency), and that person cannot be located to acquire the signature, then it is permissible for the Care Coordination/Transition Coordinator's Supervisor or Lead to sign off on the Progress Note as follows: "Kathy Miller, MSW for John Jackson, BS". A Progress Note should be entered into the chart by the Supervisor or Lead, indicating why the Progress Note was signed by someone other than the author.
- C. At minimum, a weekly Progress Note for Wraparound and a bi-weekly Progress Note for REACH, documenting your face-to-face contacts (or attempts to make a face-to-face contact) with the family and the youth is required. If a family/caregiver indicates that they do not desire weekly/bi-weekly face-to-face contact, this must be referenced in a Progress Note every month.
- D. No more than a total of 12 hours can be reported within the context of a Care Coordinator/Transition Coordinator cumulative Progress Notes in one day. If an attempt is made to enter more than 12 hours of time, an error message will appear. If more than 12 reportable hours were worked in that day, Supervisors and Leads at the agencies have access to increase the amount of time reported.
- E. When a Care Coordinator/Transition Coordinator is on vacation, sick leave or a planned absence, a Note referencing this must be entered. The Note must indicate the dates the Care Coordinator/Transition Specialist will be gone, the name(s) of the person(s) who will be covering for him/her, and the coverage person's phone number. This Progress Note must be entered prior to the Care Coordinator/Transition Coordinator going on leave, vacation, etc.
