Welcoming But Not Affirming Stanley James Grenz, 1998-01-01 A respected evangelical speaks out on the church's most controversial issue proposing that it is possible for Christian communities to welcome homosexuals without affirming same sex unions

Welcoming but not affirming : an evangelical response to homosexuality Stanley Grenz, 1998 **The Scandal of Evangelicals and Homosexuality** Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

God and the Gay Christian Matthew Vines, 2015-06-16 2025 REVISED AND EXPANDED EDITION The landmark book exploring what the Bible actually says and doesn't say about same sex relationships As a young Christian man Matthew Vines harbored the same basic hopes of many young people to one day share his life with someone to build a family of his own to give and receive love But when Vines realized he was gay those hopes were called into question The Bible he'd been taught condemned gay relationships Feeling the tension between his understanding of the Bible and the reality of his same sex orientation Vines devoted years to intensive research into what the Bible says about homosexuality He asked questions such as What was the real sin of Sodom What did Paul have in mind when he wrote about same sex relations Is mandatory celibacy biblical Can same sex marriage fulfill Scripture's vision for marriage Accessibly written and carefully argued this expanded edition of God and the Gay Christian includes an updated introduction two new chapters and two new appendices In the book Vines engages with leading critiques of his work and shows readers how affirming same sex relationships can go hand in hand with maintaining moral boundaries and upholding an orthodox Christian faith

The Bible and Homosexual Practice Robert A. J. Gagnon, 2001 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality His strong and clearly articulated argument establishes that the Bible contains a unanimous witness defining same sex intercourse as sin He does so while rigorously engaging biblical scholars and historians who have written both for and against this understanding of same sex intercourse In addition he demonstrates systematically why attempts to classify as irrelevant for our contemporary context the Bible s rejection of same sex intercourse fail to do justice to the biblical texts His conclusions are clear and compassionate as he cautions readers on all sides of the debate against a truncated gospel and challenges all to strive for a holistic view of the command to love God and neighbor
