Decentering Fashion on the Silk Roads

Stefanie Mallon, Galina Mihaleva, 2024-12-30 Decentering Fashion on the Silk Roads focuses on the dynamism of fashion textile craft heritage and sustainability in Central Asia and beyond. The compelling series of accounts provides a comprehensive set of insights and impressions collected from both fashion academics, designers and practitioners from around the globe who journeyed through Uzbekistan and Kazakhstan and from those who live and work in this region. It showcases ways in which local textile craft practices can inform the modern fashion industry into becoming more sustainable. The book opens by exploring the importance of the old Silk Roads crossing through the heart of the world in Central Asia, serving not only as trade routes but also allowing knowledge, art and practices to be transmitted between the Orient and the Occident, enabling ideas to flourish and cultural dispositions to develop from Antiquity until Modernity. The unique set of chapters that follow examine and highlight the growing opportunities and lessons this region has to offer to Western fashion through local artistry and craft and points toward the urgent need to slow down and adopt responsible principles and practices. The book constitutes a warm appreciation of the experiences and grateful thanks to the many communities from all different backgrounds and ages who contributed. This rich travelogue is a refreshing resource for international scholars and postgraduate students studying and researching fashion theory and management in particular. It will also be of interest to anthropologists, cultural studies and textiles scholars.

Handbook of Research on Transmedia Storytelling and Narrative Strategies Yilmaz, Recep, Erdem, M. Nur, Resuloglu, Filiz, 2018-07-06 Transmedia storytelling is defined as a process where integral elements of fiction get dispersed systematically across multiple delivery channels to create a unified and coordinated entertainment experience. This process and its narrative models have had an increasing influence on the academic world in addressing both theoretical and practical dimensions of transmedia storytelling. The **Handbook of Research on Transmedia Storytelling and Narrative Strategies** is a critical scholarly resource that explores the connections between consumers of media content and information parts that come from multimedia platforms as well as the concepts of narration and narrative styles. Featuring coverage on a wide range of topics such as augmented reality, digital society and marketing strategies, this book explores narration as a method of relating to consumers. This book is ideal for advertising professionals, creative directors, academicians, scriptwriters, researchers and upper level graduate students seeking current research on narrative marketing strategies.

Digital Marketing For Business 2 Books in 1 Jonathan Page, Michael Gates, 2020-12-11

Social media has traversed far greater heights than simply being a medium for user-generated content. Today it's a tool for consumer empowerment; we all witness big conglomerates being brought to their knees by that one dissatisfied tweet or widely shared post and a gratifying brand consumer partnership. Even companies that have long been dismissing social media as frivolous and flippant have started taking note of its benefits. They've realized that social media is not limited to games and light-hearted opinion polls, which are also hugely successful in creating affable brands but can involve more serious discussions and insights that are invaluable when it comes to building strong brands. Unlike traditional marketing mediums, social media doesn't swallow a huge chunk of

your advertising and promotion budget You don't need to create cost intensive and ineffectual marketing plans that leave you broke All you need is some creativity perceptiveness and an intuitive understanding about your audience's needs More than sharp business acumen you need a human touch Social media gives your brand a human angle without breaking the bank Currently social media marketing is the most powerful tool that can help businesses to reach customers and prospects whether small or not But with over 88 percent of all companies selling on at least one social media platform you can see how tempting it can be for the company to get lost in all that noise To achieve more organic visibility meet committed brand fans and even generate more sales and leads on your company social media pages you'll need a succinct marketing strategy to rise to the top Thankfully this book offers just that for you The book will show you how to promote your brand on social media peeling through the layers of the most popular social media sites to get to the heart of what makes an online marketing campaign effective Whether you are either active on social media or have never had a Facebook account this book will lead your social media marketing campaign every step of the way through building your account and improving your profile to posting content that your audience will want to connect with and the different ways to advertising and promoting your brand for more views and followers We will look at Facebook YouTube Instagram LinkedIn and Twitter in this book and show you that given the fierce competition social media marketing can be effective in your business A strong presence on social media is something that the company can't afford to miss Continue reading to see how to create a plan that will bring thousands of followers to your profile instantly Instagram Marketing Algorithms The way brands communicate with their existing and target audience has undoubtedly transformed One of the main reasons for this transformation is the increase in the popularity of social networking platforms These days an increasing number of brands are using visual media for communicating their brand's message Social media has certainly revolutionized our lives Instagram has stood the test of time and is now one of the most popular social networking platforms today So if your brand isn't already on Instagram then there is no time like the present to get started Instagram has been around for a while but not a lot of people know how to make the most of its features The creators of this platform keep introducing new features along with changes to the algorithm So it is quintessential that you stay on top of all the updates In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits You will be given information about the different benefits you can reap by using Instagram You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand's Instagram profile Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience Marketing on Instagram and how you can increase your following are also discussed in detail in this book A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world Instagram is great for sharing videos and photos so

make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don't go together Use your brand or company name in hashtags the hashtags that you pick don't have to be complicated If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags This will make it easier for your followers to find you because they can just search the name and find some of your posts Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers Take the time to look over the pages of your followers and then like and share some of their posts This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not So if you are ready to learn more then let us get started immediately

I am Josu Matos, a Brazilian who found a new home and inspiration in Portugal. With a Bachelor's degree in Advertising, Marketing, and Public Relations in progress and over a decade of experience working with online platforms like YouTube, Facebook, Instagram, and TikTok, I've dedicated myself to transforming knowledge into practical tools for entrepreneurs. In 2023, I had the opportunity to travel to Northern Ireland, where I was enriched by its culture and insights into digital business. In 2024, additional travels across Southern Canada and the Northern United States further broadened my global perspective and skills, directly contributing to the development of this book.

As the author of more than 50 books, including *Rich Uncle Poor Nephews* and *The Art of Reinvention*, my goal is to share effective strategies to help you thrive in the competitive digital landscape. In this book, you'll discover:

- How to create an attractive and strategic professional profile.
- Ways to use visual content, Stories and Reels, to capture your audience's attention.
- Strategies for direct sales, live sessions, and launch campaigns.
- Techniques for analysis and optimization to drive continuous growth.

If you're ready to transform your presence on Instagram into a sales powerhouse, you've come to the right place. Let's explore the limitless possibilities of this platform together and take your business to new heights.
