An intimate viewing**

Mela Z.,2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life I Curse You With Joy Tiffany Haddish,2024-05-07 A journey of self discovery and celebration from the comedian actress and New York Times bestselling author of The Last Black Unicorn People Since the publication of her bestselling debut The Last Black Unicorn Tiffany Haddish has catapulted to A list fame as the breakout star of Girls Trip She s walked the Oscars red carpet released a hit stand up special with Netflix and made history as the first Black female comedian to host Saturday Night Live and Shark Week But it hasn t been all VIP parties and free diving with apex predators In these humorous and heartfelt essays Tiffany gets real about the highs and lows of life Believe it or not there was a time when Tiffany didn t totally know who Tiffany was Before she found her groove she was on stage dressed like her snobby airline coworkers telling halfhearted dick jokes She tanked It took a fake penis some help from friends and a little encouragement from Bob Saget but eventually Tiffany figured out Tiffany I Curse You with Joy celebrates all the lessons she learned along the way the joy and the pain Tiffany reckons with the legacy of her childhood trauma the challenges of being a Black woman in the entertainment industry and her bittersweet reunion with her estranged father after twenty years apart

Don't worry she's got plenty of advice to share too I Curse You with Joy is Tiffany Haddish unfiltered We know what you're thinking how much more unfiltered can she get These essays lay it all bare bringing readers into Tiffany's inner circle where joy honesty humor and heart are the order of the day

Popular Culture in South Asian Context Akshaya Kumar, Raj Thakur, 2025-11-10 The volume examines popular sensibilities via textual visual performative spatial digital frames of inquiry and critical social political issues in South Asia It highlights the interface between cultural studies and its

popular political standpoints and interrogates the kaleidoscope of popular imaginary as well as its conceptual problematics through distinct case studies from the region. It leads learners towards the unfounded territories of popular culture studies in South Asia. With chapters by major scholars in the field, the book uses theoretically comprehensive and empirically varied case studies to re-evaluate the central questions of epistemology, methodology and approaches to popular culture studies from non-Western cultures' perspectives. Lucid, accessible and nuanced, the chapters in the volume will be an invaluable reference source for scholars, researchers and students in the humanities, liberal arts, cultural studies and South Asian studies.

Business Week, 2003 **How to Think about Data Science** Diego Miranda-Saavedra, 2022-12-23 This book is a timely and critical introduction for those interested in what data science is and isn't and how it should be applied. The language is conversational and the content is accessible for readers without a quantitative or computational background but at the same time it is also a practical overview of the field for the more technical readers. The overarching goal is to demystify the field and teach the reader how to develop an analytical mindset instead of following recipes. The book takes the scientist's approach of focusing on asking the right question at every step as this is the single most important factor contributing to the success of a data science project. Upon finishing this book, the reader should be asking more questions than I have answered. This book is therefore a practising scientist's approach to explaining data science through questions and examples. *The Little Vintage Carousel by the Sea* Jaimie Admans, 2019-04-03 What if one moment could change your life forever? Ness has almost resigned herself to being single forever when she catches sight of the most gorgeous man she's ever seen on the train to work. **Screen Digest**, 2005 [The Value Line Investment Survey](#), 2008 *Economics Today* Miller, Roger LeRoy, 2005 *Single & Ready for an Arranged Marriage* Thendral Uthaman, 2024-09-28 Maya's ready for a change. She has spent three years in a dead-end job and it's time to pursue something more creative, something fun. She just needs to break this to her parents. Her Tamil immigrant parents. But it turns out Maya's parents are ready for a change too. They've decided it's time to get her married. She's 25 after all. They tell her the process will feel like a family-approved dating process where everyone gets a say and they promise her it won't be a forced marriage. She can't see how they're supposed to agree on a husband for her when she can't even agree with her mum on a saree. Still, Maya's tired of swiping left or right for romances with the lifespan of fruit flies. So after much careful deliberation, she gives in to her parents. Maybe this could be her chance to find the one. It will be fine. Right. Except what starts as a hopeful search for love soon spirals into a whirlwind of speed dating, societal expectations and all the chaos of navigating your twenties. With the pressure building up, Maya soon finds herself questioning if she's falling into exactly what her parents promised it wouldn't be a forced marriage. Will Maya find love or be able to live the life she dreams of? *PC Magazine*, 2007 **Tickled** Duff McDonald, 2021-10-19 A bestselling journalist sets out to explore our addiction to the quantification of everything and ends up confronting his own addiction to certainty. In 2020, nothing went according to plan. Duff McDonald had intended to write a book about society's obsession with

measurements data and predictions showing how it blunts individual happiness and decision making while fueling corporate capitalism But in the quiet of quarantine McDonald found himself reexamining the assumptions beneath his own life choices Drawing inspiration from an impressive range of sources from Borges to the Buddha to Bob Dylan to Harry Potter McDonald documents how he let go of his attachment to precision in favor of delving deeper into what it means to be present in his work his relationships and what he calls the science of experience He asks What should I have been doing I should have been focusing on things that I love not the things that anger or annoy me I should have been focusing on things that tickle me Part self help part memoir *Tickled* is a story of how to bring joy and love into your life right now McDonald acknowledges that tickle is a funny awkward word In one context it is as innocent as can be But it also runs deeper When something tickles you you are in the moment experiencing reality itself at the vortex of truth consciousness and bliss As he lays out his own personal transformation McDonald invites readers to begin their own journeys to find out what tickles them too This exploration of joy and presence experiences that tickle lies at the heart of McDonald's unusual moving and profound book
