*The Final War* Kerry D. Lewis,2009-05-29 They warned us Our President and the heads of state all of our governing bodies They predicted it would be a long and costly conflict Nothing like Vietnam in the 60s or the Desert Storm War of 1991 Yes we the people were warned but we backed our President by a great majority when he promised to get justice for the thousands of innocent civilians killed in the terrorist attacks in September 2001 Two thousand one It seems so long ago when life was peaceful and the economy strong Everyone had a good life and we lived in the land of the free All that has changed We were warned but we had no idea This is my story of how it changed and how some of us survived the final war

*The Minneapolis Co-operator ,1926* **Here's to our Far-Flung Empire** Tony Orchard,2012-03-24 Here's To Our Far Flung Empire is a fascinating and highly entertaining account of 17 unforgettable years of conflict and comradeship war and romance adventure and excitement around the world Tony Orchard was a product of the British Empire at a time when Great Britain's rule across an empire that stretched from India to Singapore and Jamaica to Borneo was fast fading into history His father had lived and worked in British India and was sent to Mombasa in British Kenya to start a subsidiary of Shell Oil

According to the comedian Tommy Trinder Britain's far flung empire hadn't been flung far enough. Without the outbreak of World War 2 and the evacuation of British forces at Dunkirk Tony Orchard would probably never have had the chance to explore the truth of this for himself. In 1940 with the enemy at the gate he was one of thousands of youngsters who were packed up from boarding school and sent off for their own safety to join their parents working overseas. As a result he spent a tempestuous 17 years travelling the world with schooling in Calcutta and Durban adventures in the South Seas serving with the Royal Navy and an eventful post war sales career with Quaker Oats selling flour to customers from Canada and the USA to the Caribbean the Congo and East Africa. It wasn't until he married a Danish girl and settled down back in England that he finally managed to stay under the same roof for more than three years.

He thought he had the perfect plan. When elite university professor Keaton Andrews walks into a meeting with the dean he expects to hear that his tenure application is on track. Instead his beloved department is cut. Regrouping in Silver Falls with family seems like his best option. One morning he takes a risk and orders a pumpkin spice latte from the beautiful barista at the local coffee shop. Too bad she doesn't seem to find him nearly as intriguing as he finds her. Raine Hanover is no longer swayed by a charming smile especially by a nerdy and distractingly handsome academic. She's taking a break from romance and focusing on running her increasingly busy coffee shop. But when Raine is involuntarily put in charge of organizing the town's Halloween bash Keaton jumps in to help and it's not long before sparks and kisses fly. As the leaves begin to fall Raine wonders if she should risk taking another chance on happily ever after especially with a man who has dreams and goals so far away from Silver Falls and her.
