The Unpopular Review, July-December 1917, Vol. 8 (Classic Reprint) UNKNOWN. AUTHOR, 2015-07-11 Excerpt from The Unpopular Review July December 1917 Vol 8 The American mind needs just such a stimulus to thinking all around every question The freshness of its point of view is invigorating The crying need of the weary old world is to get away from conventional viewpoints conventional morality and conventional taste It needs men and women who not only see things with their own eyes but do not fear to say that they have seen We are living by habit and going to our death in as deadly a routine as if each soul was not a fresh and wonderful eternal adventure This is interesting and very suggestive It is really our intention to stand up for most of the conventional morality and conventional taste But we confess that many a point of view from which they have hitherto been mapped seems to us no longer tenable and we often try to base our surveys upon new ones Editor Amid the avalanche of fiction tumbling down upon us it ought to afford a refuge for some weary souls I have read with the liveliest interest a copy of The Unpopular Review and have found indeed something Different It is bright crisp snappy zesty The only thing I don't like about it is the name Well I guess I'll have to subscribe for it too I have thoroughly enjoyed it In an age when all the magazines of the country are running headlong in one direction and dragging after them the people who like to have their thinking come ready made it is quite refreshing to meet a periodical which is distinctly different and which has the witty flavor characteristic of the best English periodicals the most virile and interesting magazine that I have ever seen it would not bore me in the least to give you my impressions if I had any to give I have no more impression of your magazine than my friend has of the girl he went to see the Sunday afternoon he discovered The Unpopular Review but I am still waiting for the return of the magazine and shall attempt to put aside all jealousy and give it a fair trial It had the look of a good half hour morsel before bed time and it postponed bed time by just over three hours Inasmuch as the copy you sent me is imprinted No 12 there is nothing to do if you would have me content but to send me Nos I II and to see that I get No 13 and subsequent issues The copy that I received had the most intelligent treatment of the suffrage question I have ever seen just exactly as I would put it myself if I knew how to put and I would like all my fool sisters to be so enlightened if that were possible Hence the inadvertent failure to renew But God bless you here is your 2 50 at last I am a business person with a taste for literature and your publication comes nearer satisfying that appetite than any other magazine I know Can't keep house without this now Although the date was more than a year back the articles are of such permanent value that the magazine seemed only superficially a back number About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections

simplify procedure lest in the complexity of machinery the force of public opinion be dissipated and baffled instead of being focused and made effective About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

### **William Morris and the Idea of Community**

Anna Vaninskaya, 2010-10-12 The great polymath William Morris and his contemporaries and followers from H Rider Haggard to H G Wells are the focus of this study Anna Vaninskaya draws upon a wide array of primary sources from working class fiction and articles in fringe socialist newspapers to historical treatises autobiographies and diaries in order to explore the many ways Victorians and Edwardians talked about community and modernity Vaninskaya's narrative moves from the realm of romance bestsellers and sniggering reviews to debates in weighty historical tomes and then to the headquarters of revolutionary parties to street corners and shabby lecture halls She demonstrates how in each domain the dream of community clashed with the reality of the modern state and market

### **Unpartizan Review ,1916      The Unpopular Review, July-December**

**1918, Vol. 10 (Classic Reprint)**, 2017-09-13 Excerpt from The Unpopular Review July December 1918 Vol 10 In this respect the war has already rendered a distinct service to this country No longer can we blind ourselves to the fact that

national unity does not exist Professor William Graham Sumner used often to remark that the United States had no just claim to the name of nation because of the presence of the negroes within its borders Whether that particular definition of nation is adopted or not there can be no doubt that real national homogeneity is wholly lacking and that the negro is by no means the only discordant element In fact in many ways the immigration problem is more imminent and menacing than the negro problem for the negro problem is in a sense static since it is not aggravated by continuous accessions from without We know what the negro problem is and can state it in terms which will be relatively permanent But the immigration problem presents constantly changing aspects not only because of its growing numerical proportions but because of the diversity of its elements and the uncertainty as to its future developments About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Proceedings of the Cambridge Philological Society** Cambridge Philological Society,1913 **The Golden Age of the Classics in America** Carl J Richard,2009-07-23 In a masterful study Carl Richard explores how the Greek and Roman classics became enshrined in American antebellum culture For the first time knowledge of the classics extended beyond aristocratic males to the middle class women African Americans and frontier settlers The Civil War led to a radical alteration of the educational system in a way that steadily eroded the preeminence of the classics *Athenaeum* ,1872 **The Athenaeum** ,1907 The Saturday Review of Politics, Literature, Science and Art ,1895 *Museum Echoes* Ohio State Museum,1928 The President's Report University of Chicago,1915 1897-98 includes summaries for 1891 to 1897 **Major 20th-century Writers** ,1991 *Saturday Review of Politics, Literature, Science and Art* ,1905 **Clay Tobacco-pipes, with Particular Reference to the Bristol Industry** Iain C. **D. H. Lawrence** Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence's life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence's achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence's career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world's foremost authorities on Lawrence's life and work The chapters that follow provide separate entries for all of Lawrence's works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete
