## Unscripted My Ten Years Telly:

**Unscripted** Alan Sugar,2017    **Against Meritocracy** Jo Littler,2017-08-16 Meritocracy today involves the idea that whatever your social position at birth society ought to offer enough opportunity and mobility for talent to combine with effort in order to rise to the top This idea is one of the most prevalent social and cultural tropes of our time as palpable in the speeches of politicians as in popular culture In this book Jo Littler argues that meritocracy is the key cultural means of legitimisation for contemporary neoliberal culture and that whilst it promises opportunity it in fact creates new forms of social division Against Meritocracy is split into two parts Part I explores the genealogies of meritocracy within social theory political discourse and working cultures It traces the dramatic U turn in meritocracy s meaning from socialist slur to a contemporary ideal of how a society should be organised Part II uses a series of case studies to analyse the cultural pull of popular parables of progress from reality TV to the super rich and celebrity CEOs from social media controversies to the rise of the mumpreneur Paying special attention to the role of gender race and class this book provides new conceptualisations of the meaning of meritocracy in contemporary culture and society    Producing for TV and Video Cathrine Kellison,2006 A comprehensive practical book about the TV producer s roles and responsibilities    Reality Bites Back Jennifer

Pozner,2010-10-19 Nearly every night on every major network unscripted but carefully crafted reality TV shows routinely glorify retrograde stereotypes that most people would assume got left behind 35 years ago In Reality Bites Back media critic Jennifer L Pozner aims a critical analytical lens at a trend most people dismiss as harmless fluff She deconstructs reality TV s twisted fairytales to demonstrate that far from being simple guilty pleasures these programs are actually guilty of fomenting gender war ideology and significantly affecting the intellectual and political development of this generation s young viewers She lays out the cultural biases promoted by reality TV about gender race class sexuality and consumerism and explores how those biases shape and reflect our cultural perceptions of who we are what we re valued for and what we should view as our place in society Smart and informative Reality Bites Back arms readers with the tools they need to understand and challenge the stereotypes reality TV reinforces and ultimately to demand accountability from the corporations responsible for this contemporary cultural attack on three decades of feminist progress    **Indie TV** James Lyons,Yannis Tzioumakis,2023-03-27
