Discipline and Domination: The Gay BDSM Bundle (Gay, BDSM, Bondage) S M Partlowe, 2014-06-20 Reader Advisory

These stories are for mature audiences only and feature intensely erotic situations bdsm play degradation spanking humiliation discipline punishment submission and dominance All characters are 18 or older Discipline and Domination contains three Gay BDSM themed stories of intense eroticism dominance and submission discipline spanking and humiliation in all forms His Turn to Submit After a series of relationships sabotaged by his own controlling ways Daniel returns to the man he remembers being happiest with only to find him changed Connor has learned a lot about himself and about the world since they were last together and if Daniel wants to be with him now he will be the one to surrender control A fulfilling and charged relationship may await but only after Connor has made Daniel suffer for his past transgressions and made it very very clear who is the dominant and who is the submissive Desperate to Be Dominated Mitchell has been meeting his dom irregularly for the better part of 3 months He has never experienced anything as powerful fulfilling or seductive as his submission to the mysterious Mr A But their meetings are sporadic and he is desperate for more Tormented by needs he never knew he had and which only Mr A can satisfy he searches the nearby residential areas until he glimpses Mr A through an open window He approaches the house prepared to beg for more only to uncover an unwelcome surprise and reap the penalties and pleasures of his disobedient arrival Learning to Please As much as his master appreciates Richard s inviting submissive body his behavior can leave something to be desired On a morning when Richard oversleeps and goes to his master later than expected his interrogation reveals that he often touches himself after their sessions together when he has not been allowed release His disobedience his master informs him reveals not only that he does not understand what it is to obey but that he does not understand the great pleasure and gratitude that lie within true submission But lest he worry the master is here to instruct him Excerpt Google has deemed this excerpt too explicit to be displayed      **Dominant Bosses:**
