## **Upper Cut Highlights Hollywood Life:**

**Upper Cut** Carrie White,2011-09-20 A celebrity stylist describes the personal challenges that overshadowed her successful career from her struggles as an incest survivor to her battles with alcohol and drug abuse and traces her return to sobriety and professional success

**Upper Cut** Carrie White,2015-12-15 Shampoo meets You ll Never Eat Lunch In This Town Again in a rollicking and riveting memoir from the woman who for decades styled Hollywood s most celebrated players I was living a hairdresser s dream I was making my mark in this all male field My appointment book was filled with more and more celebrities And I was becoming competition for my heroes Behind the scenes of every Hollywood photo shoot TV appearance and party in the 60s 70s and 80s there was Carrie White As the First Lady of Hairdressing Carrie collaborated with Richard Avedon on shoots for Vogue partied with Jim Morrison gave Sharon Tate her California signature style and got high with Jimi Hendrix She has counted Jennifer Jones Betsy Bloomingdale Elizabeth Taylor Goldie Hawn and Camille Cosby among her favorite clients But behind the glamorous facade Carrie s world was in perpetual disarray and always had been After her father abandoned the family when she was still a child she was sexually abused by her domineering stepfather and her alcoholic mother was unstable and unreliable Carrie was sipping cocktails before her tenth birthday and had had five children and three husbands before her twenty eighth She fueled the frenetic pace of her professional life with a steady diet of champagne and vodka diet pills cocaine and heroin until she eventually lost her home her car her career and nearly her children But she battled her way back getting sober rebuilding her relationships and her reputation as a hairdresser and the name Carrie White was back on the door of one of Beverly Hills s most respected salons An unflinching portrayal of addiction and recovery Upper Cut proves that even in Hollywood sometimes you have to fight for a happy ending

## **Soul Numbers**

Michelle Arbeau,2014-07-01 Is it just a coincidence that a record number of people are seeing in numbers or could it be the fabric of the universe revealing itself to us According to the religion of Kabbalah and even the ancient Greek philosopher and mathematician Pythagoras the truths of the universe are contained within numbers The phenomena of numbers seeing repeating numbers and number sequences are sweeping the globe People from the average Joe to celebrities are seeing repeating numbers on clocks in addresses in phone numbers in account numbers and on license plates just to name a few Repeating numbers and number sequences are showing up in both the quirky and the commonplace on a daily basis Skeptics argue that seeing repeating numbers is simply a matter of pattern recognition and it s all in our head There have been scientific theories throughout history that attempt to explain the basis of the universal structure from String Theory to the Holographic universe All things in existence can be counted sorted or measured using numbers and intriguingly a common thread in many theories is mathematics More people are reporting the same phenomena in all cultures races and religions turning skeptics into believers Soul Numbers has the potential to create a tidal wave amid this numbers phenomenon making it the new most complete numbers meaning bible Numerology books offer some insight into the base number meanings of 0

to 9 but fail to go further to precisely pinpoint and explain why someone is seeing 1 47 on a clock daily and what it means to them Covering the number meanings from 0 to 999 Soul Numbers helps readers decipher any number sequence Whether they're seeing single 2s everywhere or exactly four 2222 it will allow them to break the numbers down like an ancient code Unlike other titles with mainly angelic focused number meanings this book holds a broad spectrum view of number patterns weaving science and spirituality to spark the curiosity of both the skeptic and the die hard spiritualist
