Cyber Monday 2025:

The China Dream Jonathan A. Krane, 2022-05-03 WALL STREET JOURNAL BESTSELLER An American corporate executive's paean to 21st century China and a call for doing business there Kirkus Reviews Many people do not have a full understanding of China today yet it has created the greatest economic transformation in history Since the early 1990s hundreds of millions of people have moved to cities in China where they gain access to better schools health care and infrastructure as well as higher paying jobs China's GDP has grown from 300 per capita to more than 10 000 in the past 30 years and lifted more people into the middle class than in any other country at any other point in human history It is important for investors US companies and anyone interested in the global economy to understand China China is rapidly shifting from an export driven low cost manufacturer to a consumer driven economy and the wealth of China's 1.4 billion consumers continues to grow As the founder and CEO of KraneShares an asset management company focused on China and headquartered in New York author Jonathan A Krane provides an inside look at China's transformation into a global superpower and explains why the relationship between the US and China is the most critical economic relationship in the world today The China Dream is your guide to understanding China's unmatched economic growth and fully realizing its status as an essential element in any well designed investment portfolio global business and participation in the global economy

Smart Rivals Feng Zhu, Bonnie Yining Cao, 2024-08-20 A fresh research based look at how companies can better compete on their own terms with tech giants from a Harvard Business School professor and a former Bloomberg journalist Companies are fighting the wrong battle The consensus has been to learn the best practices from tech giants and then imitate them But new paths for growth aren't created by imitation they're forged by radical differentiation In Smart Rivals Harvard Business School professor Feng Zhu and former Bloomberg journalist Bonnie Yining Cao show business leaders how to create competitive advantages by offering product features and benefits that tech giants and other competitors cannot match in the digital AI age Taking readers on a global journey Zhu and Cao showcase a variety of companies including Domino's Nike and Sephora and fascinating case studies such as Belle the leading women's footwear retailer in China EbonyLife Nigeria's top media conglomerate and Telepass Italy's popular electronic toll payment service Through these diverse examples they illustrate how companies identify their path for growth in the digital age by leveraging their unique capabilities Drawing on original research and insights gleaned from leaders in a wide range of industries Smart Rivals is a blueprint for uncovering your company's hidden strengths It will help you spark innovative solutions and capabilities including new products services strategies and advantages that mere imitation could never provide
