por experiências e reflexões. A fagulha acendeu-se quando percebi a complexidade que envolve as normas contábeis e como elas podem se tornar um labirinto para muitos. Eu mesmo me perdi nesse labirinto algumas vezes sentindo o peso da incerteza ao lidar com informações financeiras que deveriam ser claras e acessíveis. Foi essa confusão que me impulsionou a mergulhar mais fundo nesse universo buscando clareza onde havia apenas nevoeiro. O que desejo despertar em você leitor é uma sensação de conexão e compreensão. Quero que você sinta que não estou sozinho nessa jornada todos enfrentamos desafios semelhantes em busca de respostas. O IFRS 9 pode parecer uma sigla distante mas muito mais do que isso é uma oportunidade de transformação tanto para instituições quanto para aqueles que nelas trabalham. Minha esperança é que você através dessa evolução com empatia e honestidade minhas próprias experiências moldaram minha visão sobre responsabilidade financeira e transparência. Cada erro cometido trouxe consigo lições valiosas e cada desafio superado me fez enxergar a importância de compartilhar esse conhecimento com outros. Ao escrever estas páginas busco não apenas informar mas também inspirar, confiar na mudança, confiar nas novas práticas contábeis como ferramentas para construir um futuro melhor.
