The Key James Vivian,2025-03-17 The Key *Unlocking the Kingdom of God* is about understanding how God works and the divine order behind everything He does One of the biggest keys to this is Scripture especially in its original Hebrew There are things about God s character that you just can t fully grasp without the Holy Spirit s guidance He uses Scripture to explain Scripture and the Hebrew language plays a major role in that Some letters like aleph can have thousands of meanings adding layers of depth to God s Word The Hebrew alphabet isn t just a set of letters It s a gateway to knowledge a key to the Kingdom Each of its 22 letters represents a piece of God s truth No wonder Jesus the Hebrew Word made flesh said I am the Way the Truth and the Life no man cometh unto the Father but by Me John 14:6 This book explores how the first five Hebrew letters aleph beth gimel daleth and he reveal important things about God They show how the invisible One who reigns in heaven gives wisdom in thought speech and action Even creation itself reflects His design The Bible tells us that God spoke everything into existence using frequency vibration and sound That s why John described His voice as sounding like rushing waters Revelation 1:15 This connection between sound and faith is powerful our ability to hear was designed by God to shape our belief in Him As it s written So then faith cometh by hearing and hearing by the Word of God But I say Have they not heard Yes verily their sound went into all the earth and their words unto the ends of the world Romans 10:17 THE KEY UNLOCKING THE KINGDOM OF GOD IS

Unlocking the Mysteries of the Kingdom Wade E. Taylor, 2013-11-01 At the heart of this book is the desire to present the anointed Word as spiritual food for those who long for spiritual satisfaction. It is a map that will guide those who have a singular burning desire to go further into the kingdom relationship with Jesus in preparation for their part with Him in the Millennial Kingdom. Our Lord is a seeking God who desires quality times of intimate fellowship with us. If He finds within us even the slightest aspiration to truly know Him, He will demonstrate a singular interest toward us and prepare us as His Bride. It is the glory of God to conceal a thing but the honor of kings is to search out a matter Proverbs 25:2. This book is intended to be read both prayerfully and devotionally. More than a book to read, it is food for your spirit.

The Kingdom Parables and Their Teaching Len Gaston Broughton, 1910

A KEY TO THE KINGDOM Robert A. Pascoe, 2008-03-29 To be able to understand the fullness of a spiritual revelation received by someone, it is essential that we know something about the recipient and the need that required the Holy Spirit to release eternal information that would evoke empowerment and unlock a kingdom mystery. Paul was a man called by God; however, before God openly challenged that call, Paul's relationship with the Lord was one of the mind. Saul of Tarsus was a diligent and persistent man of the church who believed that he was doing the will of God by hunting down Christians and bringing them into captivity. It is obvious that through his diligent efforts and the tenacity in which he pursued his convictions that he was a sincere threat to the true plan of God which had been administered to the disciples. Paul was not demonically driven; he was deceived by the words of those he revered in the church and by his social environment. We can see however that he was a man of intense thought and dedication. This was revealed to us when he perceived that he was sent by God as a messenger to remove heretics in the church. Paul goes to the church with his plan, his vision, and for permission to pursue and eliminate the message of Christianity by imprisoning those who propagated or followed this false teaching. After receiving the blessing and

validation of his plan by the church Paul aggressively formed a plan to accomplish his mission He knew those professing Christianity were not known to be violent He knew they were known as a people of peace and would not resist if they were to be arrested So he assembled a team of handpicked individuals who wanted to assist in achieving this goal either by their delegated authority from church and state or by force We know that it was Paul s intention to arrest and bring the accused to a public trial without excessive violence unfortunately there were those with him who did not share this view We learn this as we see the stoning of Stephen in Acts 7 58 and Saul does nothing to stop it Acts 8 1 tells us that Saul was consenting or in agreement of his death The word consenting in the Greek suneudokeo also meant that he was pleased This act of murder launches a great persecution on the church The assault goes from the street to the home and they begin to enter into every house dragging off to prison any who believed or confessed Christianity This was the turning point of his original plan we now see his deception being demonically enhanced There are no more rules and his act of civil or warped spiritual duty turned to anger and rage We see this clearly in Acts 9 1 And Saul yet breathing out threatening and slaughter against the disciples of the Lord went to the high priest The Greek word for slaughter is phonos which means murder or death Saul went to the high priest who is the chief priest or that of the highest order of the church to gain further support by having him document in writing his validation of his quest Words can be appealed and restated however once something is in writing it becomes the written word and enforceable to its letter Saul now took the written word from the highest order of the church to pursue and eliminate the living Word an impossible task that he would soon realize Just as it is today be assured that word traveled fast There was already a spread of fear and even the disciples were afraid of Saul after his conversion See Acts 9 26 Now Paul retained and possessed letters of permission from the highest order to arrest or kill those professing Christ The letters may have only contained the right to imprison the followers of Christ however the church and the high priests knew of Saul s havocs and threats of slaughter to those of the Christian faith They had supported the crucifixion and the death or slaughter of Jesus Isaiah 53 7 and Acts 8 32 He was oppressed and afflicted yet He opened not his mouth

Loretz,2024-01-07 I am excited about this beautifully written Kingdom guidebook as it gives us various keys and strategies to live a Kingdom life It also challenges us to become Kingdom establishers and to build the Kingdom of Jesus where we live and work I enjoyed the parts referring to Kingdom mindsets and attitudes that teach the believer a different worldview to attract a life of miracles as well as being instrumental in letting His Kingdom come on earth as in Heaven What Dr Mark Loretz describes is how to practically align ourselves with the Kingdom of God to live the life of overflow as Jesus intended *The Kingdom Is At Hand* Jason R. Harris,2014-05 The kingdom of God was a major topic of discussion between Jesus and His disciples Much of Jesus teachings were built upon the foundation of kingdom truths and spiritual realities Jesus on many occasions spoke of doing the will of the One who sent Him the will of His Father was the driving force of His purpose in the flesh He came to do the Father's will Jesus primary goal was the establishment of the Father's will on the earth As Jesus would move and act and speak on behalf of His Father the kingdom of heaven through His life would be in full advance made obvious by the supernatural demonstrations of the Spirit Strongholds were smashed prisoners were set free and the kingdom of darkness was falling Jesus by the authority given Him from the Father walked this earth in the liberty of the kingdom of heaven and put into motion the Father's plan to reconcile all things back to Himself But the message does not end there the same things that Jesus taught and did throughout His ministry He would later pass on to His disciples At the close of Jesus earthly ministry He would bestow upon them the mandate of His Father to preach the Gospel of the kingdom to every nation tribe and tongue They were to do what He did They were not going to be alone in this endeavor but would have with them living in them the Holy Spirit the Helper on the Day of Pentecost the kingdom had come in power and had transformed their lives Through the release of God's kingdom into the earth the disciples went about turning the world upside down This same transformative power the power of the kingdom of God is still here today God is in the process of restoring a kingdom paradigm a kingdom mindset back to the church In *The Kingdom Is At Hand* Pastor Jason R Harris gives us his own unique perspective on the nature of the kingdom of God In this book you will learn such truths as the kingdom is the will of the king the king is a direct reflection of His kingdom the edicts of the king are the rights of the citizens and many more Join Pastor
