## **Upk Developer Manual:**

*Oracle User Productivity Kit 3.5* Dirk Manuel, 2009-09-29 Build high quality training simulations using Oracle UPK 3.5 using this book and eBook      *Computer Graphics Research Project* United States Military Academy. Instruction Support Division, 1974 The document represents one of a trilogy of manuals designed to outline the scope of GCS in a form which may be readily assimilated by the user This particular manual is intended for individuals who are already familiar with GCS but require instructions on the use of specific options and or facilities Each GCS user level subroutine is covered along with all of the available USET UPSET options for that subroutine There is a separate chapter which discusses the important concepts supported by each USET and UPSET option The manual is intended to be a definite treatise on all of the capabilities and facilities available with GCS For easy reference the subroutines are presented in alphabetical order within one chapter The chapter also contains an index table at the beginning that further facilitates a quick reference option Each example presented is intended to illustrate specific characteristics about functioning of a particular subroutine or option It is impossible because of the inherent flexibility of GCS to describe all of the possible effects which can be obtained by the interaction of various options Users are encouraged to use their imagination and experiment Modified author abstract

**Oracle UPK 11 Development** Dirk Manuel, 2013-03-04 Oracle UPK 11 Development provides a guided approach to building high quality repurposable training simulations and documentation by using Oracle's User Productivity Kit version 11 Extensively illustrated and with easy to follow steps the book covers all of UPK's functionality from initial recording through editing and enhancing simulations to final publishing Using real world examples and supported by hints and tips from the author's extensive experience of UPK the book is essential reading for new and experienced UPK developers alike
