world opinion **TV Guide** ,1989 *The Legend of James Dean* Derek Reeves,2024-09-17 The Legend of James Dean Demonic Heroes Have Villainous Virtues challenges previously conceived notions about the actor James Dean Author Derek Reeves argues that Dean was not a rebel against the establishment and that class conflict the need to redefine his public image and a desire to attack Christianity prompted the men who ran the motion picture industry in the 1950s to portray the actor as a rebel against conformity of any kind Members of the postwar generation embraced Dean as a symbol of rage and rebelliousness because they believed that the thuggish characters he played reflected his essential persona Dean s characterization of the tough teenager gave a sense of belonging to misdirected young people whose adolescent rebellion stemmed from their inability to cope with societal demands during the Eisenhower era The author s analysis of Dean s legend provides rare insight into the actor s life viewed from a historical perspective If you ve ever wondered what Dean did to earn a star on Hollywood s Walk of Fame you ll want to read this book which shines a spotlight on an American legend who was posthumously nominated for an Academy Award as Best Actor in a Leading Role in 1956 and 1957 **Access** ,1984
