Successful Child Training Raising Christian Kids:

Successful Child Training Charles Orr, 2015-01-10 God in his own mysterious way from the mother's life and blood is creating a new life But did you know that at the same time he was creating an immortal soul That new born life contains an immortal part and very much depends upon you as to where shall be its eternal existence We want you to feel this deep in your hearts God has given into your charge a life and a soul When you come to appear before him in the day of judgment then you will have to render an account of how you have dealt with your child Oh what awful responsibilities What a charge Great are the responsibilities of the husband Great are the responsibilities of the wife but greater are the responsibilities of parents Father and mother God lays a responsibility upon you as you receive your new born child A precious little immortal soul whose eternal destiny depends largely upon you The proper training of children is attended with many difficulties and every parent certainly needs instruction from God Your child is given you from God and you in return should give him trustingly to God like a mother of olden time For this child I prayed and the Lord has given me my petition which I asked of him therefore also I have lent him to the Lord as long as he lives he shall be lent to the Lord 1 Sam 1 27 28 This is the consecration of children to God which is the first duty of parents **Raising Children on Purpose** Wesley H.

Fleming, 2006-03-03 Parent by Accident or Parent on Purpose Your child has a God given purpose that is too important to be left to chance As parents we have a sacred opportunity to help our children find their way the way they were created to go When a child has insight into God's special plan for his life he will be more passionate about following Jesus better able to focus his energies on what is most important and equipped to make wiser decisions Raising Children on Purpose will help you Assess your child's natural talents and gifts Recognize and encourage your child's interests Determine the point at which gifting and interest overlap Discipline your child in positive ways that inspire confidence Promote emotional health and good decision making in your child Prepare your child for career choices Wes Fleming's Raising Children on Purpose offers practical advice with a generous sprinkling of humor Your children can fulfill their God given potential Awesome Parents Awesome Kids Donald Whitmore, 2023-02-09 Our nation is increasingly becoming more culturally and ethnically diverse We have been called the great melting pot because of the many backgrounds our people The United States has become less homogeneous throughout the years As the population has grown immigrants have retained less of their way of life and ethnic groups have embraced more cultural differences and values With the decrease of common traditions throughout our diverse American population educating such a broad range of lifestyles has become more complex Parenting norms and expectations of youth have faded since days of long ago Some things that once worked do not work anymore Some practices have become obsolete Times have changed and so have many parenting techniques For the newly married couple planning their life with kids or the established family looking for a better way you may be asking the question how do I raise my children in this day and age What is acceptable and what is not What are the best strategies and techniques to deal with my toddler Awesome
