MY OWN STORY - The Emmeline Pankhurst Story Emmeline Pankhurst, 2018-11-15 The closing paragraphs of this book were written in the late summer of 1914 when the armies of every great power in Europe called upon their citizens and the citizens of their colonies to mobilise for savage unsparing barbarous warfare against one another against small and unaggressive nations against helpless women and children and against civilisation itself How mild by comparison with the despatches in the daily newspapers will seem this chronicle of

women s militant struggle against political and social injustice in one small corner of Europe Yet let it stand as it was written with peace so called and civilisation and orderly government as the background for heroism such as the world has seldom witnessed The militancy of men through all the centuries has drenched the world with blood and for these deeds of horror and destruction men have been rewarded with monuments with great songs and epics Yet the militancy of women has harmed no human life save the lives of those who fought the battle of righteousness Time alone has revealed what reward has been allotted to the women In the black hour that struck in Europe the men indeed Governments turned to their women and called on them to take up the work of keeping civilisation alive Through all the harvest fields in orchards and vineyards women garnered food to send to the front as well as for the children left fatherless by war In the cities the women kept open the shops drove trucks and trams and operated machines in the factories which made clothing and the munitions for the impending battle ahead and altogether attended to a multitude of tasks to keep the wheels of commerce turning At the first alarm of war the militants proclaimed a truce which was answered half heartedly by Reginald McKenna the Home Secretary s announcement that all suffrage prisoners would be released who gave an undertaking not to commit further crimes or outrages A few days later no doubt influenced by representations made to the Government by men and women of every political persuasion Mr McKenna announced in the House of Commons that it was the intention of the Government to release unconditionally all suffrage prisoners So ended for a short time the war of women against men until the clash of arms ceases Then once more women will take up the arms they so generously laid down There can be no real peace in the world until woman the mother half of the human family are given liberty in the councils of the world Emmeline Pankhurst YESTERDAY S BOOKS FOR TODAY S CHARITIES 10% of the profit from the sale of this book will be donated to charity KEYWORDS TAGS My Own Story Emmeline Pankhurst 1914 Act of Parliament agitate Annie arrest authorities Bill Cabinet case Christabel Pankhurst committee Conciliation court daughter declare demands deputation doctor education Edward election England facilities Fight franchise freedom friends girls Gladstone Government Great War Hall Herbert Asquith Holloway House of Commons hundred hunger imprisonment justice King law Lawrence leaders letters Liberal life long Lloyd George London Lord magistrate majority Manchester meetings members men militancy Minister movement Parliament party Pethick petition place pledge police policy political power Prime Minister prison prisoners property protest public punishment question refuse release school Secretary sentence session Social Movement speech Street suffrage Suffragettes suffragists trial Union vote Winston Churchill woman women Women s rights world World War One WWI [A Suffragette - My Own Story \(Illustrated\)](#) Emmeline Pankhurst,2017-03-12 This carefully crafted ebook A Suffragette My Own Story Illustrated is formatted for your eReader with a functional and detailed table of contents Emmeline Pankhurst 1858 1928 was a British political activist and leader of the British suffragette movement who helped women win the right to vote In 1999 Time named Pankhurst as one of the 100 Most Important People of the 20th Century stating she shaped an idea of women for our time she shook society into a

Speeches and Trials of the Militant Suffragettes Cheryl R. Jorgensen-Earp, 1999 The Women's Social and Political Union WSPU was the most controversial militant branch of the British women's suffrage movement From 1903 1918 WSPU members made numerous public speeches both in rented halls and in the open air and many were brought to trial for their political activities This collection of speeches and trial transcripts documents the WSPU from its founding through its turn to violent tactics to the winning of the vote in 1918 An introduction to each section summarizes Union activity over discrete periods outlining the major verbal arguments and images for that time frame These introductions combined with the speeches and several trial transcripts provide a chronological view of WSPU history [My Own Story \(Classic Reprint\)](#) Emmeline Pankhurst, 2017-10-15 Excerpt from My Own Story It was the intention of the Government within a few days to release unconditionally all suffrage prisoners so ends for the present the war of women against men As of old the women become the nurturing mothers of men their sisters and uncomplaining helpmates The future lies far ahead but let this preface and this volume close with the assurance that the struggle for the full enfranchisement of women has not been abandoned it has simply for the moment been placed in abeyance When the clash of arms ceases when normal rational society resumes its functions the demand will again be made If it is not quickly granted then once more the women will take up the arms they to day generously lay down Erhere can be no real peace in the world until woman the mother half of the human family is given About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art
