The Life of a Lifeguard

Lifeguards have an important job. They keep people safe at the pool and the beach.

A Lifeguard watches the water carefully. If someone needs help, they swim fast to rescue them. They also show them lifeguarding principles if they are not following the rules.

When becoming a Lifeguard, a person must practice lifeguarding. Lifeguards learn how to help someone who is in trouble. They also learn to help people stay safe.

Now you are a Lifeguard, you might see a Lifeguard watching over the beach to help make swimming fun and safe for everyone.

Where do Lifeguards work?

What do Lifeguards need to know from the beach?
