Sun After Dark Flights Into The Foreign:

Sun After Dark Pico Iyer, 2007-12-18 One of the best travel writers now at work in the English language brings back the sights and sounds from a dozen different frontiers A cryptic encounter in the perfumed darkness of Bali a tour of a Bolivian prison conducted by an enterprising inmate a nightmarish taxi ride across southern Yemen where the men with guns may be customs inspectors or revolutionaries these are just three of the stops on Pico Iyer's latest itinerary But the true subject of *Sun After Dark* is the dislocations of the mind in transit And so Iyer takes us along to meditate with Leonard Cohen and talk geopolitics with the Dalai Lama He navigates the Magritte like landscape of jet lag a place that no human had ever been until forty or so years ago And on every page of this poetic and provocative book he compels us to redraw our map of the world

Cuba and the Night Pico Iyer, 2011-10-05 Having captivated readers with such gems of travel writing as *Video Night in Kathmandu* Pico Iyer now presents a novel whose central character is another place the melancholy ebullient and dazzlingly inconsistent island that is Castro's Cuba On almost every page you can smell the dust the cheap perfume and the rum of Havana today or better still tonight Los Angeles Times

In Motion Tony Hiss, 2011-08-17 In this extraordinarily wide ranging insightful and revelatory book Tony Hiss the much praised author of *The Experience of Place* delves into a unique and instantly recognizable though previously undescribed experience that can happen to us when we travel a special understanding and ability that can leave us feeling exhilarated He illustrates how throughout human history from our ancestors walking upright for the first time to astronauts walking on the moon we have repeatedly availed ourselves of this seemingly elusive quality which he calls Deep Travel The sensation of Deep Travel can overtake us Hiss says whenever we tap into a sophisticated wide awake awareness we all possess With a wealth of examples from evocative accounts of his own journeys to celebrated travel writing across the centuries Hiss identifies and rescues this powerful capacity and sets out simple techniques for accessing it no matter where we are And this is only a jumping off point for an original and penetrating explanation of how Deep Travel radically alters our perception of not only where we are but also when we are by placing us in an extended present and how it acts as an open sesame to enlarge and enrich the world around us Going even further he investigates how we can remain absolutely still but travel in time itself as our horizons move backward to include layers of nature and human culture that have gone before or project us forward to consider what our actions will mean to those who will inhabit our spot on earth a few generations from now Whether travel takes you around the corner or around the world once you've read *In Motion* no journey will ever feel the same From the Hardcover edition

Landscapes of (Un)Belonging: Reflections of Strangeness and Self, 2020-05-06 This volume stems from the Third Global Conference on Strangers Aliens and Foreigners 2011 and is a unique collection of differing perspectives on the notion of Strangeness Within fourteen chapters the authors coming from all over the world reach over the boundaries of academic disciplines to unveil and explore
