Buy Now Emily West, 2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon's consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand's focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand's image control strategies West considers why pushback against Amazon's ubiquity and market power has come mainly from among Amazon's workers rather than its customers or competitors arguing that Amazon's brand logic fragments consumers as a political bloc West's innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today's economy

Strategic Retail Management and Brand Management Doris Berger-Grabner, 2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption The rapid emergence of new technologies digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector Key contextual or external trends will affect and shape the retail landscape in the years to come Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments It deals with key trends in particular new patterns of personal consumption evolving geopolitical dynamics technological advancements and structural industry shifts Moreover it explains why it is so important that retailers use these trends adapt their retail strategies and tactics create strong brands and come up with innovative new ways of doing business Today we are living in a challenging time for retail This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications

The Obesity Epidemic in North America Anna Bellisari, 2012-05-18 Obesity prevalence in North America is the highest in the developed world a situation that calls for a deeper understanding of this complex phenomenon Brief yet comprehensive *The Obesity Epidemic in North America* offers a much needed examination of the effects of human evolution environmental changes human variation poverty and culture An ideal supplement in nutritional anthropology or medical anthropology classes the book's rare biocultural perspective helps readers grasp the root causes of obesity As Bellisari sees it the medical and nutrition

science fields are fully engaged in developing strategies to address the obesity problem. It is institutions such as political and economic organizations as well as society itself that need to become more proactive in improving obesity related public health. This text provides a giant first step toward that end. **WHO ARE AMERICANS ?** Nguyen Quy Minh Hien, 2019-11-21. WHO ARE AMERICANS. Could you answer this question I have asked my American friends who were born in the United States but haven't received a clear answer not yet. This book is the collection of 51 of my short stories about Americans and the US. It is more like a jigsaw puzzle than an answer. I hope that one day I will find the answer. Or maybe there will be no answer. It is like when we love someone or somewhere we can not answer why. If we could answer why then it might not be true love not yet. Perhaps that like me many of you can not answer the question Who are Americans but love this country and people here. Just love because love creates great things. Introduction to Sociology George Ritzer, J. Michael Ryan, 2023-11-09. Introduction to Sociology offers a comprehensive guide that connects traditional sociological concepts and contemporary social phenomena such as globalization, consumer culture, the internet, and McDonaldization to students' lives in today's global society. This accessible text encourages learners to apply a sociological perspective and explore how public sociologists address critical modern issues. **Essentials of Sociology** George Ritzer, 2016-01-12. Join the conversation with one of sociology's best known thinkers. Essentials of Sociology Second Edition adapted from George Ritzer's Introduction to Sociology Third Edition provides the same rock solid foundation in a shorter and more streamlined format. Like the original Ritzer text Essentials of Sociology illuminates traditional sociological concepts and theories and focuses on some of the most compelling contemporary social phenomena: globalization, consumer culture, the Internet, and the McDonaldization of society. As technology flattens the globe, students are challenged to apply a sociological perspective to their world and to see how public sociologists are engaging with the critical issues of today. **Cyber Esq**, 1999. **F & S Index United States Annual**, 2006. *USA Today Index*, 1996. **American Lumberman**, 1907. **NASULGC Newslines**, 1998. **Asia Today**, 1997. **India Today**, 2003-10. **Asia Today International**, 2000. **The Postal Record**, 2008. **Power**, 1919.
