**Summer with My Sisters** Holly Chamberlin, 2015-06-30 Bestselling author Holly Chamberlin's heartfelt novel set in a beautiful Maine beach town tells of three sisters and one summer filled with revelations. When Poppy Higgins left Yorktide Maine for Boston, she pictured future visits home as brief diversions from her real life in the big city. Fate had different ideas, and at twenty-five, Poppy has been called back to care for her two younger sisters following their father's death. Sixteen-year-old Daisy resents Poppy's long absence and chafes under her sometimes fumbling efforts to be a parent. Violet, now thirteen, is a virtual stranger to her oldest sister. Once a happy united family, the Higginses seem adrift, and Poppy longs to escape her responsibilities. But when Daisy befriends Evie, an enigmatic newcomer to Yorktide, the young woman will be an unlikely catalyst in the sisters' journey back to each other. For as Poppy discovers the deep loss in Evie's life, she awakens to the truth about her own and about the town and the people she's tried to leave behind. Filled with the candid warmth of real sisterhood, *Summer with My Sisters* explores the many forms a family can take and the unspoken ties that endure season after season.

**Summer With My Sister** Lucy Diamond, 2012-06-07 *Summer With My Sister* is a captivating tale of family secrets and hidden rivalries by bestselling author Lucy Diamond. Polly has always been the high flyer of the family with the glamorous city lifestyle to match. Clare is a single mum with two children struggling to make ends meet in a ramshackle cottage. The two sisters are poles apart and barely on speaking terms. But then Polly's fortunes change unexpectedly, and her world comes crashing down. Left penniless and with nowhere else to go, she's forced back to the village where she and Clare grew up, and the sisters find themselves living together for the first time in years. With an old flame reappearing for Polly, a blossoming new career for Clare, and a long buried family secret in the mix, sparks are sure to fly. Unless the two women have more in common than they first thought. Praise for Lucy Diamond: A hugely satisfying read. Heat Warm, witty and wise. Daily Mail. Readers love *Summer with My Sister*. The stories absorb you, and before you know it, you have lost a whole morning. If you have never read one of her books, treat yourself; you will be hooked. Made you believe that anything could be possible. Didn't want it to end. A lovely story, would definitely recommend to readers of Jenny Colgan and Marian Keyes. Yet again, a five-star read from Lucy Diamond. This one had me hooked. First page I read it in one sitting on a rainy Sunday with lots of coffee, wine, and chocolate. Just a perfect treat. Made me laugh out loud quite a few times, and that's what I really love about a book.

common than they first thought      The Color of Love Marra B. Gad, 2019-11-12 Winner of the 2020 Midwest Book Award in Autobiography Memoir The Color of Love is an unforgettable memoir about a mixed race Jewish woman who after fifteen years of estrangement from her racist great aunt helps bring her home when Alzheimer's strikes In 1970 three day old Marra B Gad was adopted by a white Jewish family in Chicago For her parents it was love at first sight but they quickly realized the world wasn't ready for a family like theirs Marra's biological mother was unwed white and Jewish and her biological father was black While still a child Marra came to realize that she was a mixed race Jewish unicorn In black spaces she was not black enough or told that it was OK to be Christian or Muslim but not Jewish In Jewish spaces she was mistaken for the help asked to leave or worse Even in her own extended family racism bubbled to the surface Marra's family cut out those relatives who could not tolerate the color of her skin including her once beloved glamorous worldly Great Aunt Nette After they had been estranged for fifteen years Marra discovers that Nette has Alzheimer's and that only she is in a position to get Nette back to the only family she has left Instead of revenge Marra chooses love and watches as the disease erases her aunt's racism making space for a relationship that was never possible before The Color of Love explores the idea of yerusha which means inheritance in Yiddish At turns heart wrenching and heartwarming this is a story about what you inherit from your family identity disease melanin hate and most powerful of all love With honesty insight and warmth Marra B Gad has written an inspirational moving chronicle proving that when all else is stripped away love is where we return and love is always our greatest inheritance      *Predator Within* Ophelia Lucas, 2006-11-20 This book the Predator Within reflects many people who have experienced the similar abuse Growing up in today's society is a real challenge for any child as well as an adult My life is based on my own personal struggles within The obstacle sometimes is not what you try to avoid but what you try to forget We all have something that we are ashamed of or want to forget but our minds are a light to our soul and a hard drive of information that no matter how hard we try to delete the information the shame or fear is still in memory This book is a light of my soul and a memory of my hard drive to move forward This is about my life's journey to continue to pursue my destiny even when the odds are tacked against you My life is only a testimony to all not to give up on their dreams even if life takes an ugly turn never give up on your destiny to be all that God wants you to be I have learned to be an over comer instead of the victim For every book purchase a part of it proceeds will be donated to develop awareness and encourage others who have lost their way Thank you for all of your supports      **The Fallacy of Assignable Gender** Transcendent Publications, 2007-09-05 Humans often encounter expectations that they behave differently from the people they are Many left handed people have trod lightly on this path When internalized such conflicts can be profoundly disconcerting and must be resolved Each transgendered person contending with her or his suppressed gender identity exists in a continual state of such conflict That person is and is not the child adolescent and adult she or he has learned to be Experience and reflection will ultimately prove that essential identity is far different from education and endeavor Even inevitably recurring brief secret

episodes of release merely reconfirm the transgendered persons implacable obsession rather than providing respites from it. Such a conflict will not because it cannot resolve itself. The focus of *The Fallacy of Assignable Gender* is gender identity conflict. The work begins with an intimately personal account of a forty year struggle with that conflict. The condition is examined from the perspectives of medical science, religion, political theory, the arts, and others. Perhaps as compelling as the nature of the condition is society's reaction to it. Fifteen common mischaracterizations share an apparent determination by those who proffer them to ignore or reject what has been learned at great cost. Each straw man is explored and refuted. A four step plan is presented whose goal is elimination of gender identity suppression. Whether the reader's interest is personal or professional, ending the social and economic scourge of suppressed gender identity will require a broad concerted effort. Its undertaking is long overdue.

**Out of the Shuffle** Sabrina Irene Found, 2014-10-03 I wrote this book to try to help someone who has gone or is going through a similar situation. You have to get help. It will work out. It may be hard at times but the pain is worth the outcome. I have been sober for fourteen years. I'm making many breakthroughs. I must take things one day at a time.

**Family, Fear and Torment** Karla Serenity, 2014-11-08 I wrote this book to give a voice to every adult that has an abused child inside of them and as a child they never got a chance to tell their story or they did and still no one cared. **Measure of the Heart** Mary Ellen Geist, 2025-05-01 Mary Ellen Geist decided to leave her job as a CBS Radio anchor to return home to Michigan when her father's Alzheimer's got to be too much for her mother to shoulder alone. She chose to live her life by a different set of priorities to be guided by her heart not by outside accomplishment and recognition. The New York Times wrote a front page story on Mary Ellen on Thanksgiving 2005. It was one of the most emailed stories for the month. Through her own story and through interviews with doctors and other women who've followed the Daughter Track leaving a job to care for an aging parent, Geist offers emotional insights on how to encourage interaction with the loved one you're caring for, how to determine daily tasks that are achievable and rewarding, how the personality of the patient affects the caregiving and the progression of the diseases, as well as invaluable advice about how caregivers can take care of themselves while accomplishing the Herculean task of constantly caring for others. Geist's years in journalism allow her to report on Boomers caretaking dilemmas with professional objectivity and her warm voice brings compassion and insight to one of the most difficult situations a son or daughter may face during his or her life.

*Sometimes We Fall As Boys But Rise As Men* Thomas III Green, 2009-11 On April 24, 2004, Thomas Green III was driving a military truck down a dusty road in Iraq when an explosion ripped the wheel out of his hands. The injuries he sustained as a result of this attack changed his life forever. He joined the U.S. Army in 2001 and was deployed to Iraq in February 2004. Serving in Iraq and spending thirteen months in an Army hospital gave him a good look at war. Everybody knows the traditional story: soldiers

leave home get shot and even die But few know about the psychological effects of war Whatever happened to him he stood up again on his own two feet At Walter Reed Army Medical Center surrounded by other injured soldiers he realized the importance of uplifting and inspiring each other Sharing their stories helped get them through trying times He felt that God wanted him to share his testimony telling how He got him through this ordeal and changed his life forever He commends Him for giving him the strength to put his story together He even thanks Him for the pain because it taught him how to lean on God
