Super 6 Comprehension Predictions

Robert Lee Morton

Super 6 Comprehension Predictions:

Comprehension [Grades K-12] Douglas Fisher, Nancy Frey, Nicole Law, 2020-08-20 Radically change the way students learn from texts extending beyond comprehension to critical reasoning and problem solving Is your reading comprehension instruction just a pile of strategies There is no evidence that teaching one strategy at a time especially with pieces of text that require that readers use a variety of strategies to successfully negotiate meaning is effective And how can we extend comprehension beyond simple meaning Bestselling authors Douglas Fisher Nancy Frey and Nicole Law propose a new comprehensive model of reading instruction that goes beyond teaching skills to fostering engagement and motivation Using a structured three pronged approach skill will and thrill students learn to experience reading as a purposeful act and embrace struggle as a natural part of the reading process Instruction occurs in three phases Skill Holistically developing skills and strategies necessary for students to comprehend text such as monitoring predicting summarizing questioning and inferring Will Creating the mindsets motivations and habits including goal setting and choice necessary for students to engage fully with texts Thrill Fostering the thrill of comprehension so that students share their thinking with others or use their knowledge for something else Comprehension is the structured framework you need to empower students to comprehend text and take action in the world
