

Search Labs | AI Overview

Google AI Overviews are a feature in Google Search that provides AI-generated summaries of search results, appearing at the top of the results page. They aim to help users quickly understand information from multiple sources, including the web and Google's Knowledge Graph. While designed to be helpful, AI Overviews are still under development and can sometimes be inaccurate or offensive, so users are encouraged to critically evaluate the information and verify it with multiple sources. ↗
