Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

Enclosed, I am submitting my letters for the Math Tutor in [Company's Name] as an advertisement. My theoretical knowledge in mathematics education, my practice in helping children grasp what they learn in school, and my passion for teaching make me a suitable candidate for joining your tutoring program.

In my previous capacity as a [Your Previous Position] in [Your Previous Institution], I have been able to get an opportunity to interact with and tutor students of different ages, classes, and learning capabilities to improve their grasp and performance in mathematics. In other words, my teaching style addresses me as an actor within an inclusive learning environment that aims at positively influencing students' learning processes and, subsequently, their learning achievements. My major accomplishments-

- Helped students prepare for important national and international exams, raising test scores by an average of 30% among those who attended the intensive tutoring sessions.
- Learned lesson plans, tailored to student's needs and learning capacities, which received 90% approval from students and parents.
- Established group tutoring practices that specifically improved the group's overall performance by 25% while encouraging students to cooperate and help one another.
