

What is Financial Stress?

Feeling low or anxious is a normal response when you've lost your job, been made redundant, or you're struggling with debt. You may be feeling, behaving or thinking in ways that are unfamiliar. But that does not necessarily mean you're suffering from depression or an anxiety disorder.

How To Reduce Financial Stress

Create extra sources of income.

Knowing how to increase your financial holdings without creating significant stress for yourself can be tricky. Thankfully, there are several ways to boost your income and relieve your stress:

Declutter your budget.

Take control of your finances by setting aside some time to schedule, organize, and declutter all of the money coming in and out of your bank account. The more control you have, the less stress you will feel.

Don't forget general stress management.

Eating a nutritious diet, getting enough sleep every night, and doing some form of physical exercise are linked with reducing stress levels.

Understand the debt cycle.

Do your research and pay attention to interest rates. It's advisable to first pay off the debt that has the largest interest rate to avoid paying higher costs over time.

Behavioral Consultation and Primary Care Patricia J. Robinson, Jeffrey T. Reiter, 2025-02-11 This third edition of Behavioral Consultation and Primary Care builds on the success of the previous editions with updates and expansions of material. This volume will address many timely developments and will be useful to those professionals new to integrated care and will serve as a text for the growing number of graduate courses on primary care consultation. Topics of interest include workforce shortage issues, guidance on growing strong and resilient teams, and an exploration of the spread of this model to a wide variety of settings such as family practice, women's clinics, and pediatric facilities. In all, the goal of this book is to provide better health care for everyone and provide the steps necessary to achieve this goal. Robinson and Reiter have crafted a masterpiece with this third edition of Behavioral Consultation and Primary Care. Their great care in building the PCBH model explains its positive impact on patients and healthcare systems around the world and its remarkable growth over the past 17 years. This edition, enriched with new research, practical tools, evolved thinking, and the authors' stunning ability to keep things simple, is a tour de force of how to make evidence-based work clinically relevant. I am thrilled to see this comprehensive guide continue to advance the field. It's THE essential resource for clinicians, leaders, and anyone who is passionate about transforming primary care through behavioral health integration.

Steven C Hayes, PhD, Foundation Professor of Psychology, Emeritus University of Nevada Reno. Expect this book to be dog-eared and covered with notes. This is not a pristine book to sit on your shelf. This is your go-to guide for integrating behavioral health services into primary care. From the basics to the complex nuances of implementation and scaling integration, this is your resource. Whether you are just starting to integrate behavioral health into your practice or have a seasoned integrated system, this book is for you.

Parinda Khatri, PhD, Chief Health Officer, Cherokee Health Systems

By Their Side Lara Lyn Bell, 2019-11-12 This practical resource guide shares essential information and personal stories from eating disorder survivors, family members, caretakers, and others. When someone you love is in the throes of an eating disorder, it can be difficult to believe recovery is possible. *By Their Side* offers help and hope to those fighting alongside a loved one in the struggle against this heartbreakingly complex illness. Providing first-hand testimony, scientific expertise, resources, and actionable guidance, the book serves as a lifeline for both the individual coping with the disease and those struggling to give them the right support. Written collectively under the name Lara Lyn Bell, *By Their Side* draws together the diverse stories of families, friends, doctors, therapists, caregivers, and recovered eating disorder advocates. The Lara Lyn Bell collective speaks together to emphasize the insidious cross-cultural impact of this life-or-death issue. As a result of their united anonymity, *By Their Side* mirrors the reader's story as they connect with the shared challenges, successes, and perspectives on their journey to healing.
