Fold Back the Power of the Foldable Phone

If you are old enough, you probably remember your first flip phone. There wasn't a lot to it, but you could text, take pixelated photos, and sometimes even search the Internet. But then smartphones came along, and things got a little bulkier. For most of us, we were fine with the

tradeoff sure they didn't fold into two so we could slip them into our pocket but they took stunning photos played impressive games and had blazing speed But as they say history tends to repeat Here we are years after flip phones pretty much disappeared and we have foldable phones But these aren't your grandma's flip phones They're everything you can expect in a smartphone but compact If you are new to the foldable phone market there's a little bit of a learning curve and that's where this book will help It will cover What makes Fold4 and Flip4 different from iOS Android and other smartphones Taking advantage of folding screens Using the Z Pen Setting up your phone Making calls Turning your phone into a Desktop experience with Samsung DeX Installing apps Using the camera Surfing the Internet Using Samsung SmartTag Changing system settings And much more If you are ready to get into the fold and unlock its potential then let's get started NOTE This guide is not endorsed by Samsung and should be considered unofficial *Samsung Galaxy Z Fold 4 for Seniors* Scott La Counte, The first time you saw the Fold 4 you probably were pretty impressed and then you got it and realized that while it wasn't hard to use it was different than any phone you had ever had before There were new gestures and functions This guide will help If you are new to the foldable phone market there's a little bit of a learning curve and that's where this book will help It will cover What makes Fold4 different from iOS Android and other smartphones Taking advantage of folding screens Setting up your phone Making calls Turning your phone into a Desktop experience with Samsung DeX Installing apps Using the camera Surfing the Internet Changing system settings And much more If you are ready to get into the fold and unlock its potential then let's get started NOTE This guide is not endorsed by Samsung and should be considered unofficial
